Joslyn

*No Time
to Waste*

Joslyn's put her life on hold for long enough. A single mother, she seemed to spend every second of her days and nights, either working double jobs to keep her kids in private school, as well as providing them with all the things she hadn't had when she was a kid. She rarely went on dates, and when she did, she felt guilty, like she was shirking her responsibilities. She often joked that there were cobwebs between her legs, and this wasn't much of an exaggeration. Two and a half years and counting, since the last time she'd had a good lay, Joslyn knew she had to do something to salvage her sexuality.

ese two were lucky enough to run into her at
between the two friends, so decided to have bo

It's not that she didn't turn her share
of heads - even for a 40-year-old
mom, she filled out her clothes in all
the right ways.

Dating didn't interest her. She had a single purpose in mind, and if she could get that without entanglement and responsibility, all the better.

It'd been so long, she'd almost forgotten how good it could be. It didn't take her long at all to start feeling that familiar tingly sensation, bourne of a good pussy pumping.

Through the hole it always been a bit shy about blowjobs. But now she just couldn't seem to get enough cock in every way possible and she's just getting started. If you'd like to help satisfy Joslyn's cravings, give her a call.

Barbie

Playing Doctor

A blonde woman with long hair is posing nude on a dark-colored couch. She is looking over her shoulder towards the camera with a slight smile. Her right hand is resting on her hip, and her left hand is placed on her thigh. The background is a plain, light-colored wall.

Barbie'd started her career late, due to an extended period through her twenties, when she preferred a lifestyle of rock 'n' roll to one with long-term financial benefits. That's how she found herself on the other side of 40, completing her medical residency. The hours were nauseatingly long, her social life stifled. She rarely saw her husband, and when she did, she was too tired for sex - a fact he never failed to bitterly remind her. Little did he know there was another reason she balked at opening her legs for him.

See, with all those hours spent at work, it wasn't surprising that Rucca'd formed a few crushes - crushes which soon turned into after-work drinks, then mid-day fucks.

It's not that Barbie'd planned to cheat, but working with so many young, hot men, the temptation was just too strong.

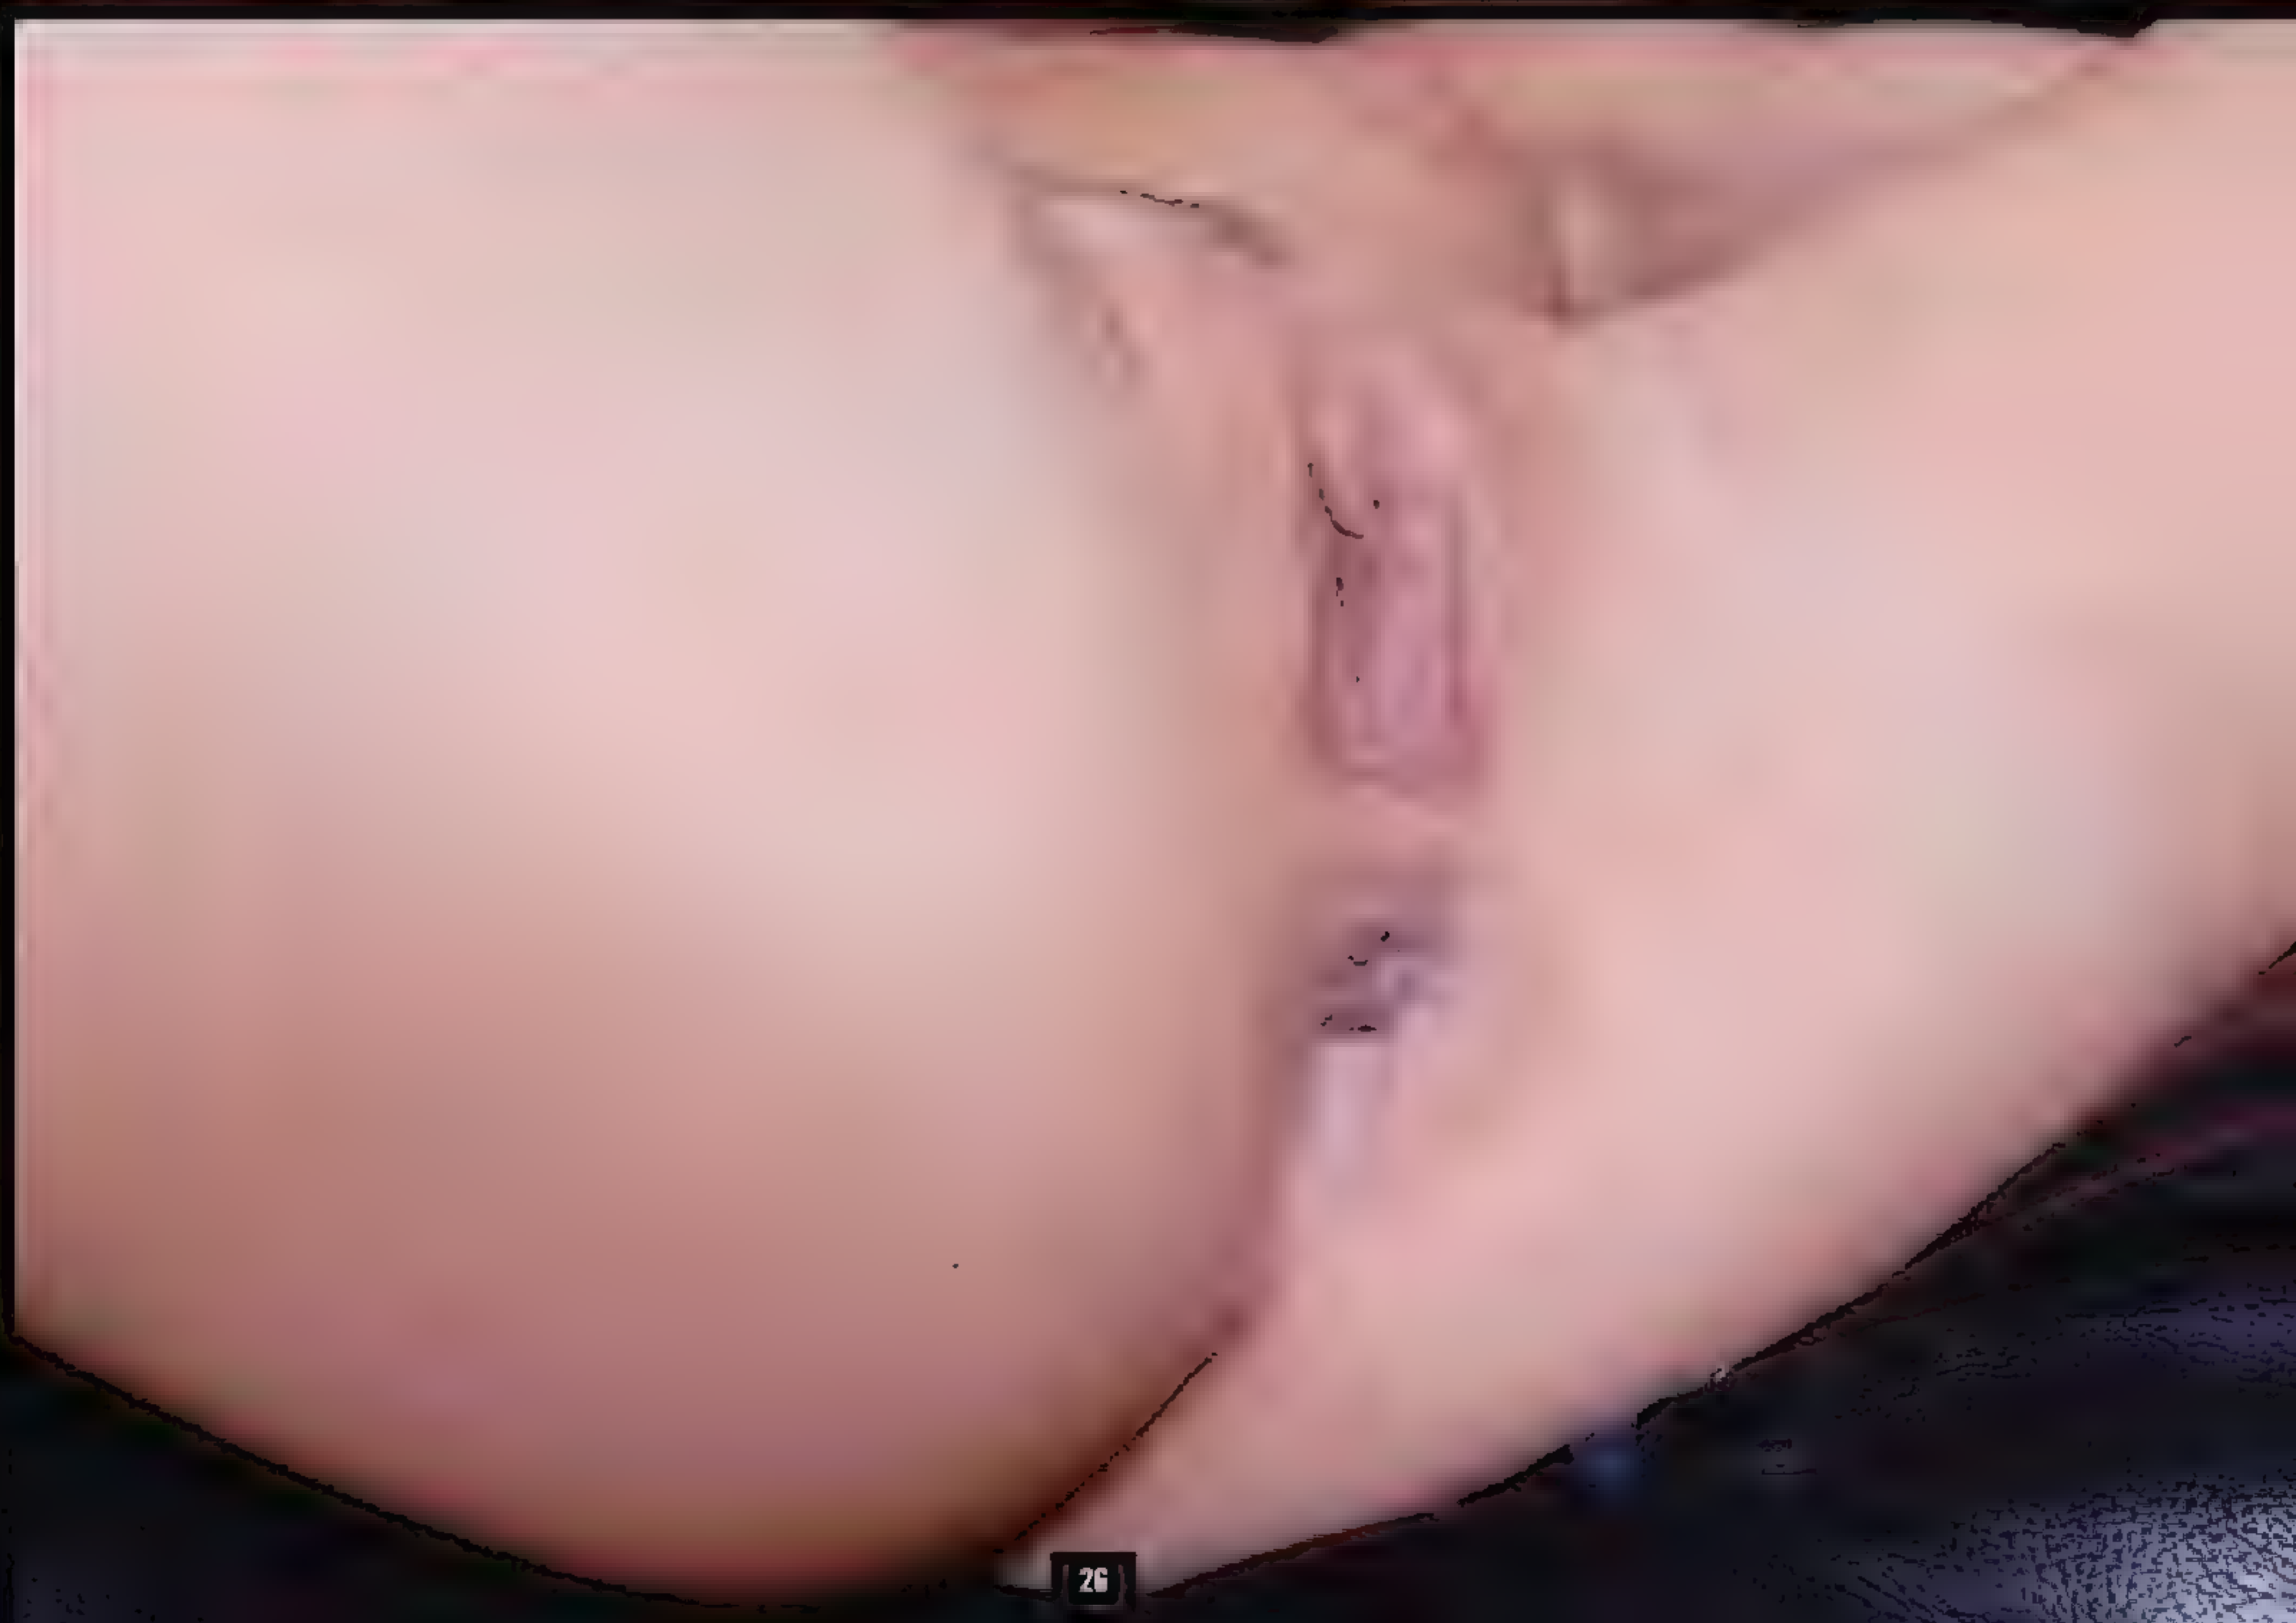

Besides, her husband had never been very aggressive in bed, and she wanted someone who would give her a real pounding.

Over the last several months, she'd tried it all, even experimenting with a couple of the hotter nurses. There's little wonder she was exhausted by the time she made it home at night.

While she doesn't usually make house-calls, she could be convinced, if the incentive is right. Would you like some of Barbies's specialized attention?

I was banging this broad, when my wife showed up.

I thought for sure the shit would hit the fan and I'd be covered in stink. But instead, the spit hit both broads, and I came out smelling like a rose.

Here's how it went down.

Anu, my wife, was supposed to be out of town on a business trip. So, feeling lonely, I picked up this chick at the bar, Lucille, took her back to the apartment Anu and I share for some get-to-know-you-better sex.

Yeah, I'd been drinking. And so had she. Her big floppy tits and fleshy face and body looked supermodel hot with my beer goggles on.

I ripped off her oversized clothing as soon as we stumbled into the apartment, the pair of us sucking face and slapping our tongues together. Then I herded her on down the hall and into the bedroom, her dimpled ass cheeks looking downright delicious just then.

I piled on top of her, and she and the bed groaned. I stuck that chunky chick like a pig, started fucking some of the fat right off of her, my hands full of her pillowy tits, mouth full of her chewable nipples. When I heard someone shouting above our grunting and rutting, "What the fuck are you doing!?"

Lucille looked over my shoulder, at Anu standing in the doorway all dolled up in a pinstriped business jacket and skirt, pearl-white blouse, sheer black stockings and

SPIT-FIT

shiny leather heels. "What's it look like, honey? He's doing me. Take a number."

I would've crawled into Lucille's hole and hid if I'd've fit. Instead, I rolled off the broad. Just in time. Because Anu launched herself onto the bed, on top of Lucille, her claws drawn.

The two girls got into some serious tangling, pulling each other's hair, screaming at one another, rolling around on the bed. Anu is a little hot babe with big brown eyes and a lean-muscled body, cupcake

tits with licorice nipples, a jungle pussy that drips humid. But she was more than holding her own with lots-to-love Lucille, the pair cat-fighting it out, the stunning contrast of dark and light flesh, taut and voluptuous, providing me with even more visual stimulation.

Yeah, I gripped my pussy-slick dick and stroked. Watching Anu get her expensive threads ripped off, get down and dirty with big earthy Lucille, dusk titties pressing into milk jugs, butt cheeks shivering and pussies sliding, sweat and spit flying.

And when Anu hurled a wad of wet stuff right into Lucille's blue-eyed features, and Lucille spat right back square into Anu's lovely face, I fisted my prick so hard I almost popped my cap off.

Anu was on top, her clothing torn to shreds; both broads breathing hard. She flicked out her neon-pink tongue and fished Lucille's spit off her nose and upper lip, tasted it. And then, damn if she didn't grin. And Lucille grin back.

Anu worked her throat and puckered her lips, lined a long string of drool down into Lucille's waiting mouth. The husky, lusty blonde took the rope of spit full on her tongue, swirled it around in her mouth some, then spat it back up into Anu's open mouth. They twined their outstretched tongues together, twirling hot saliva between the pair of them.

I choked my chicken and called out, "How about putting a spit-shine on this?"

They remembered me — the source of all their passion. I wedged in between, and they squirmed down to my cock. Lucille grasped my shaft with a beefy hand and hit me hood-on with a hork of saliva. Anu worked the wad all around my cockhead with her tongue, licking up the drippings down my shaft.

I'd never have believed it if I wasn't right there smack-dab in the middle of it.

Anu painted my pipe with her tongue, broad, wet brushstrokes. As Lucille chewed on my hood. Then they both lapped my lolly in between, playing my skin-flute with their lips on either side.

Until Anu sucked me up all for herself. She bobbed her shimmering head, wet-vacating my dong. Leaving Lucille to munch on my nuts. She slathered them with her tongue, juggled the popping pair.

It was too good to last, like me. But even better and wetter was in-store.

Lucille straddled my head with her wide thighs, spat a length of saliva down into my mouth. I spat it back up into her pussy, further moistening the already juicy fur-burger.

Anu straddled my waist, facing her spit-sister. She drizzled goop onto my gleaming cock, oiled it all along my pulsing length with her hand. Before plugging me into the hotter, deeper dankness of her pussy.

I groaned, thrusting up into the babe. Lucille splatted her sodden cunt right down onto my face. I gasped for air, got gooey gash.

The girls gripped each other's shoulders and swapped spit, swiped tongue above me, Anu riding my cock, Lucille my face. I gave as good as I was getting, pumping Anu's pink sucking sleeve with my prick, Lucille's molten tunnel with my mouth-organ.

Saliva spilled down onto my heaving chest and stomach, spicier bodily fluids coating my face and cock. Lucille rubbed

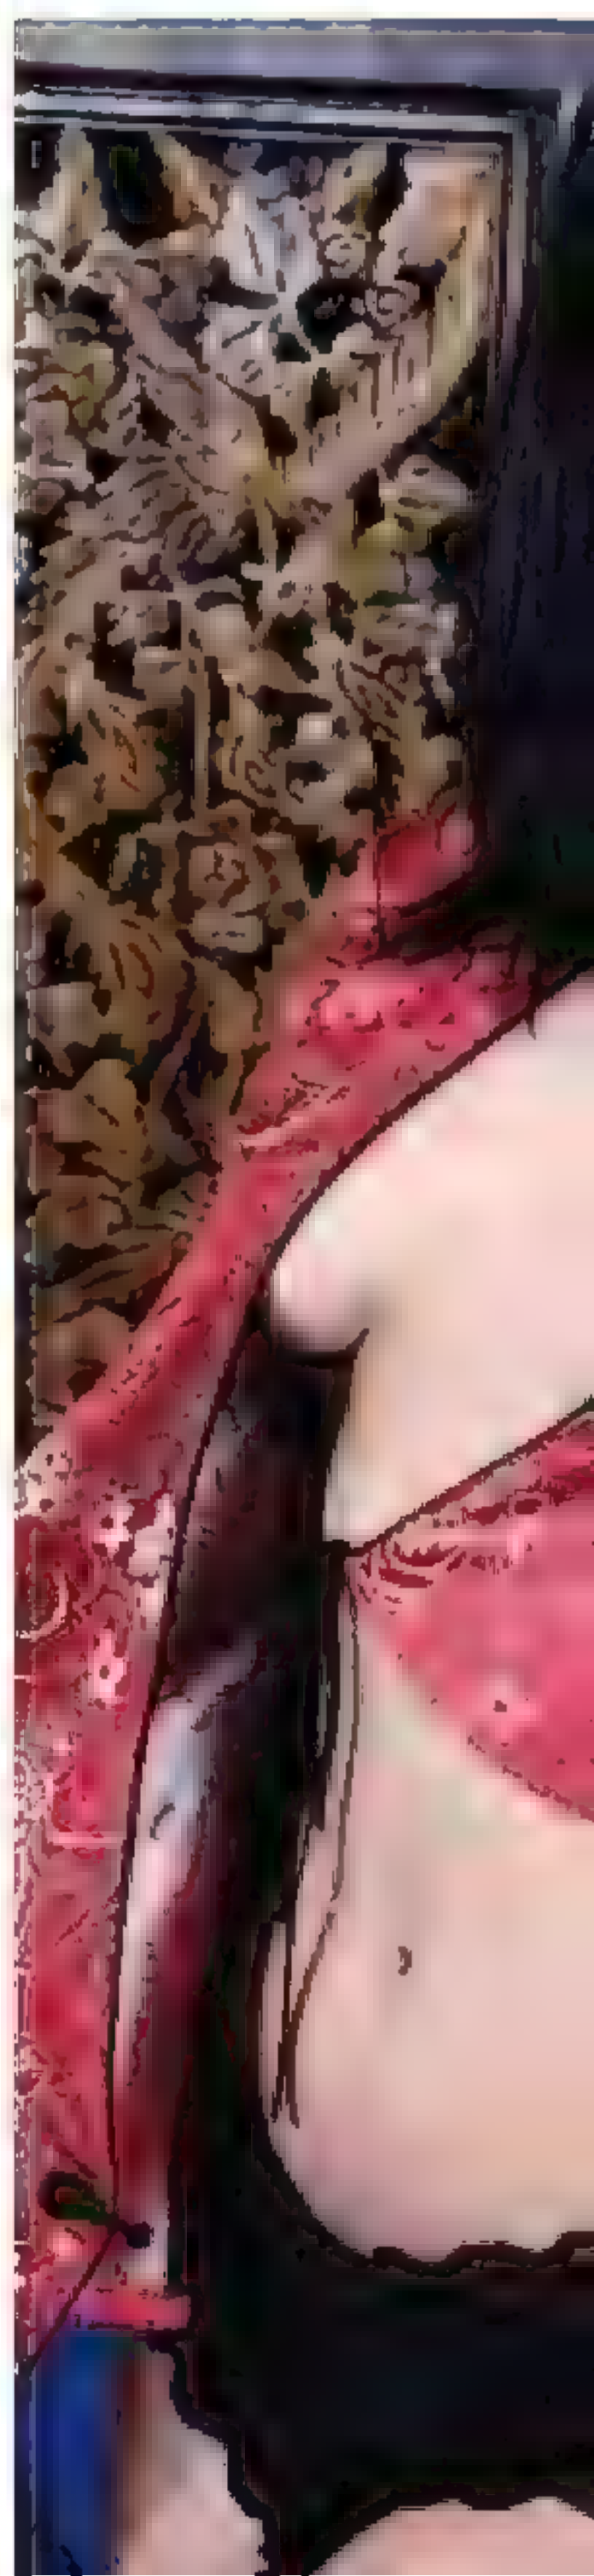

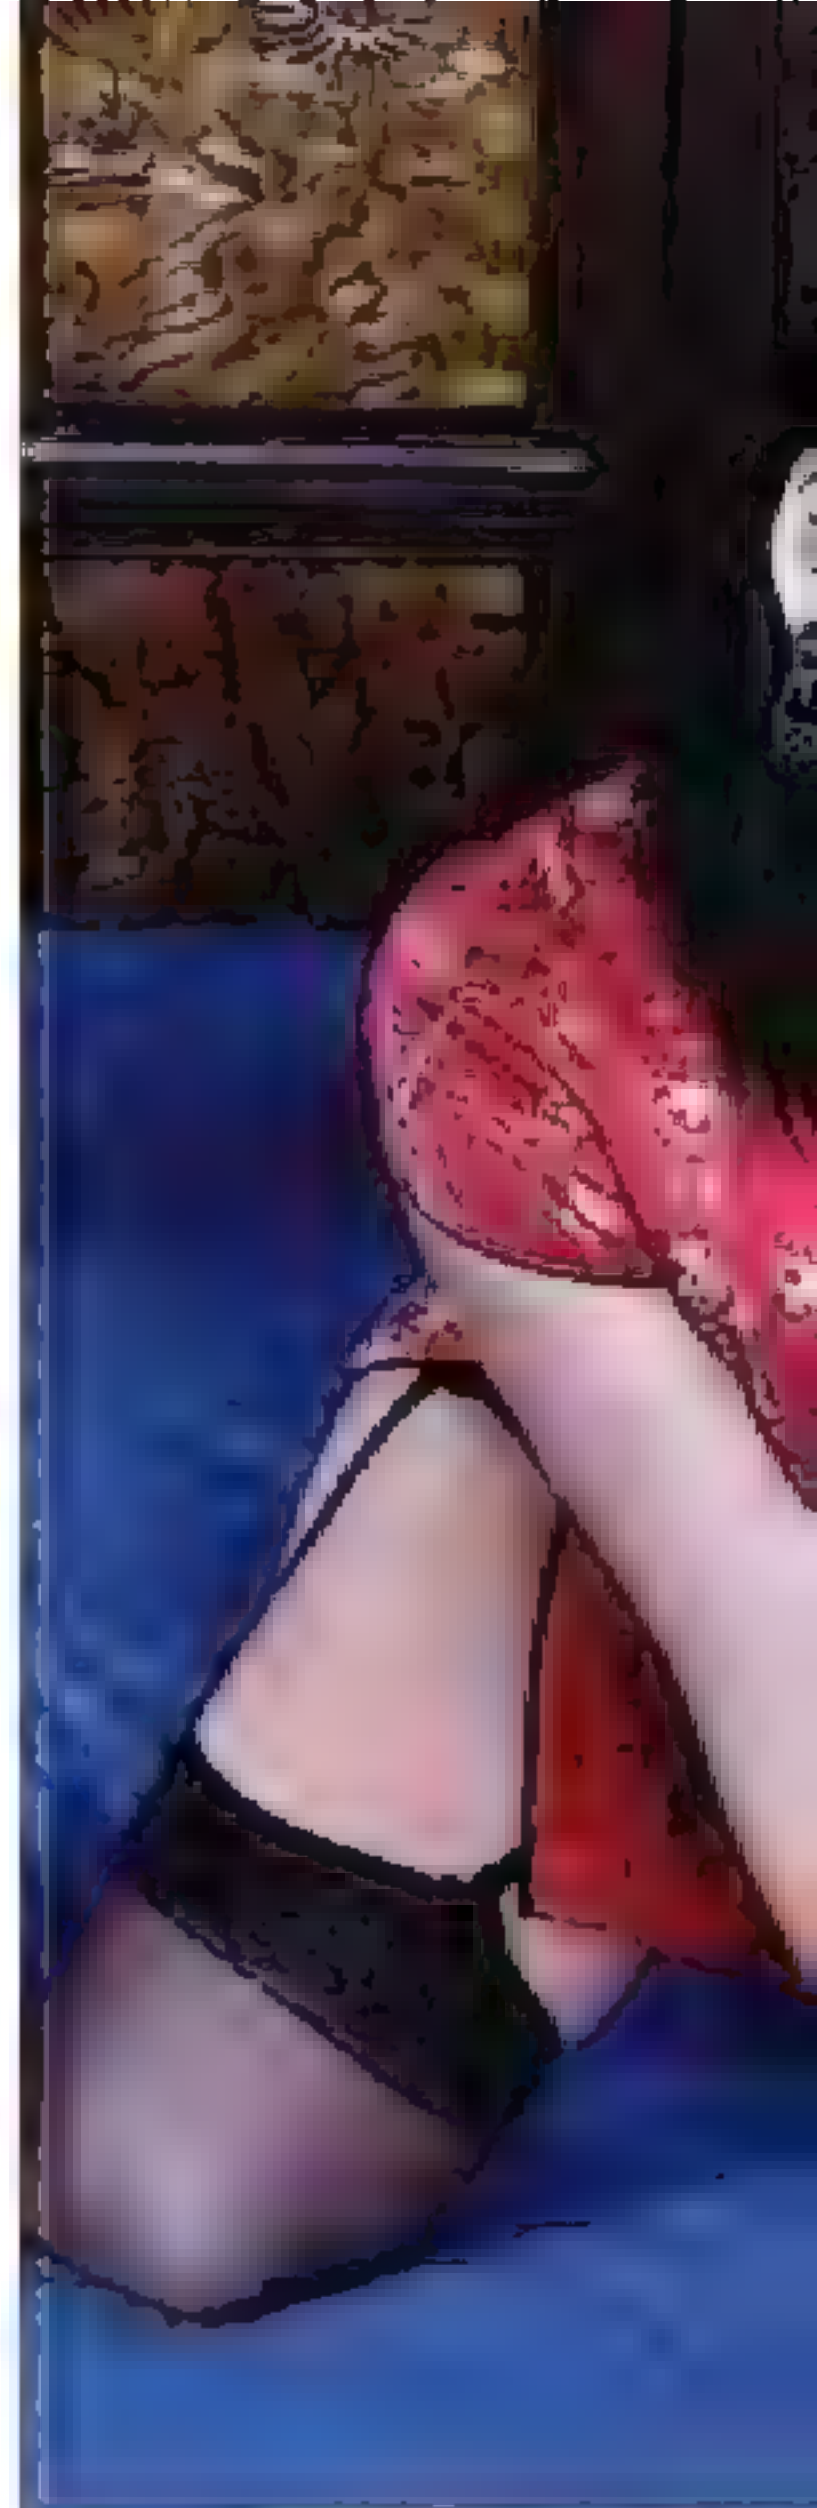

Anu's clit. Anu rubbed Lucille's clit. I fucked Anu's pussy, stuck Lucille's.

All three of us came in blistering gushes.

Lucille drenched my face, the chick shuddering and squirting wildly over top of me. I gulped girl-juice hard and fast. Then I jerked, spumed my own steaming ball-juice up into Anu's cunt, body and soul-jarring burst after burst. As Anu rained her own heated orgasm down on my pumping, jumping cock.

I'm still trying to get the pair to have a pissy-fit.

Olivia

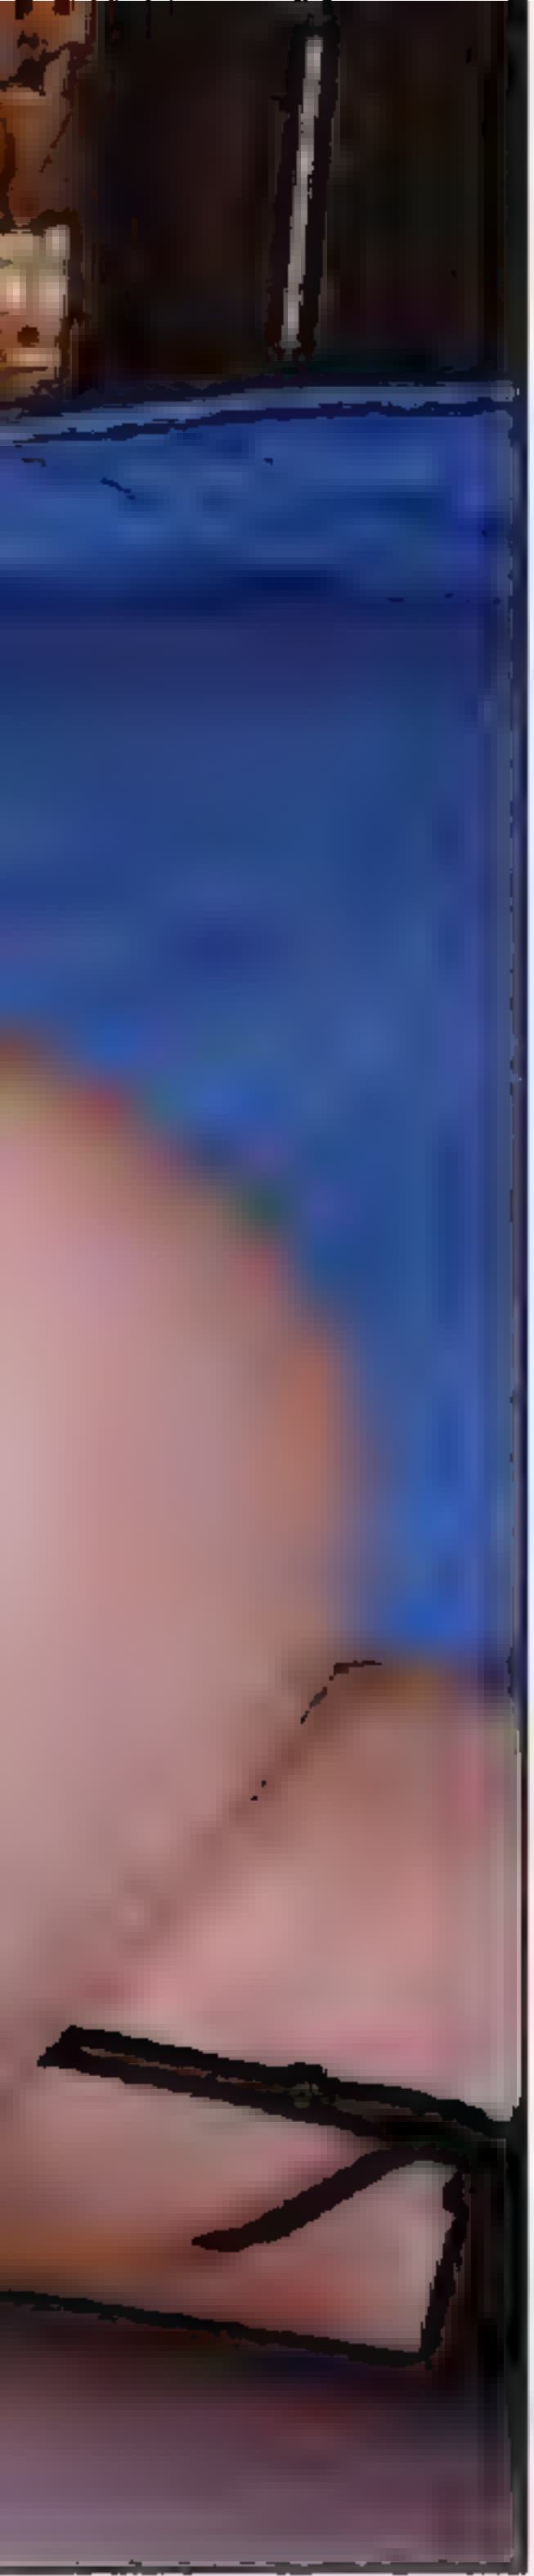

Working Her Way to the Top

Olivia's glided through her life on her ability to pass herself off as many years younger than her actual age; she has her Thai mother to thank for this. She'd always been very energetic, and completely unimpressed by traditional career options. So, she started dancing when she was 18, and over the years, had been frugal and saved enough money to open her own venue. These days, she only dances on special occasions; she's earned the right to pass the workload to a younger generation.

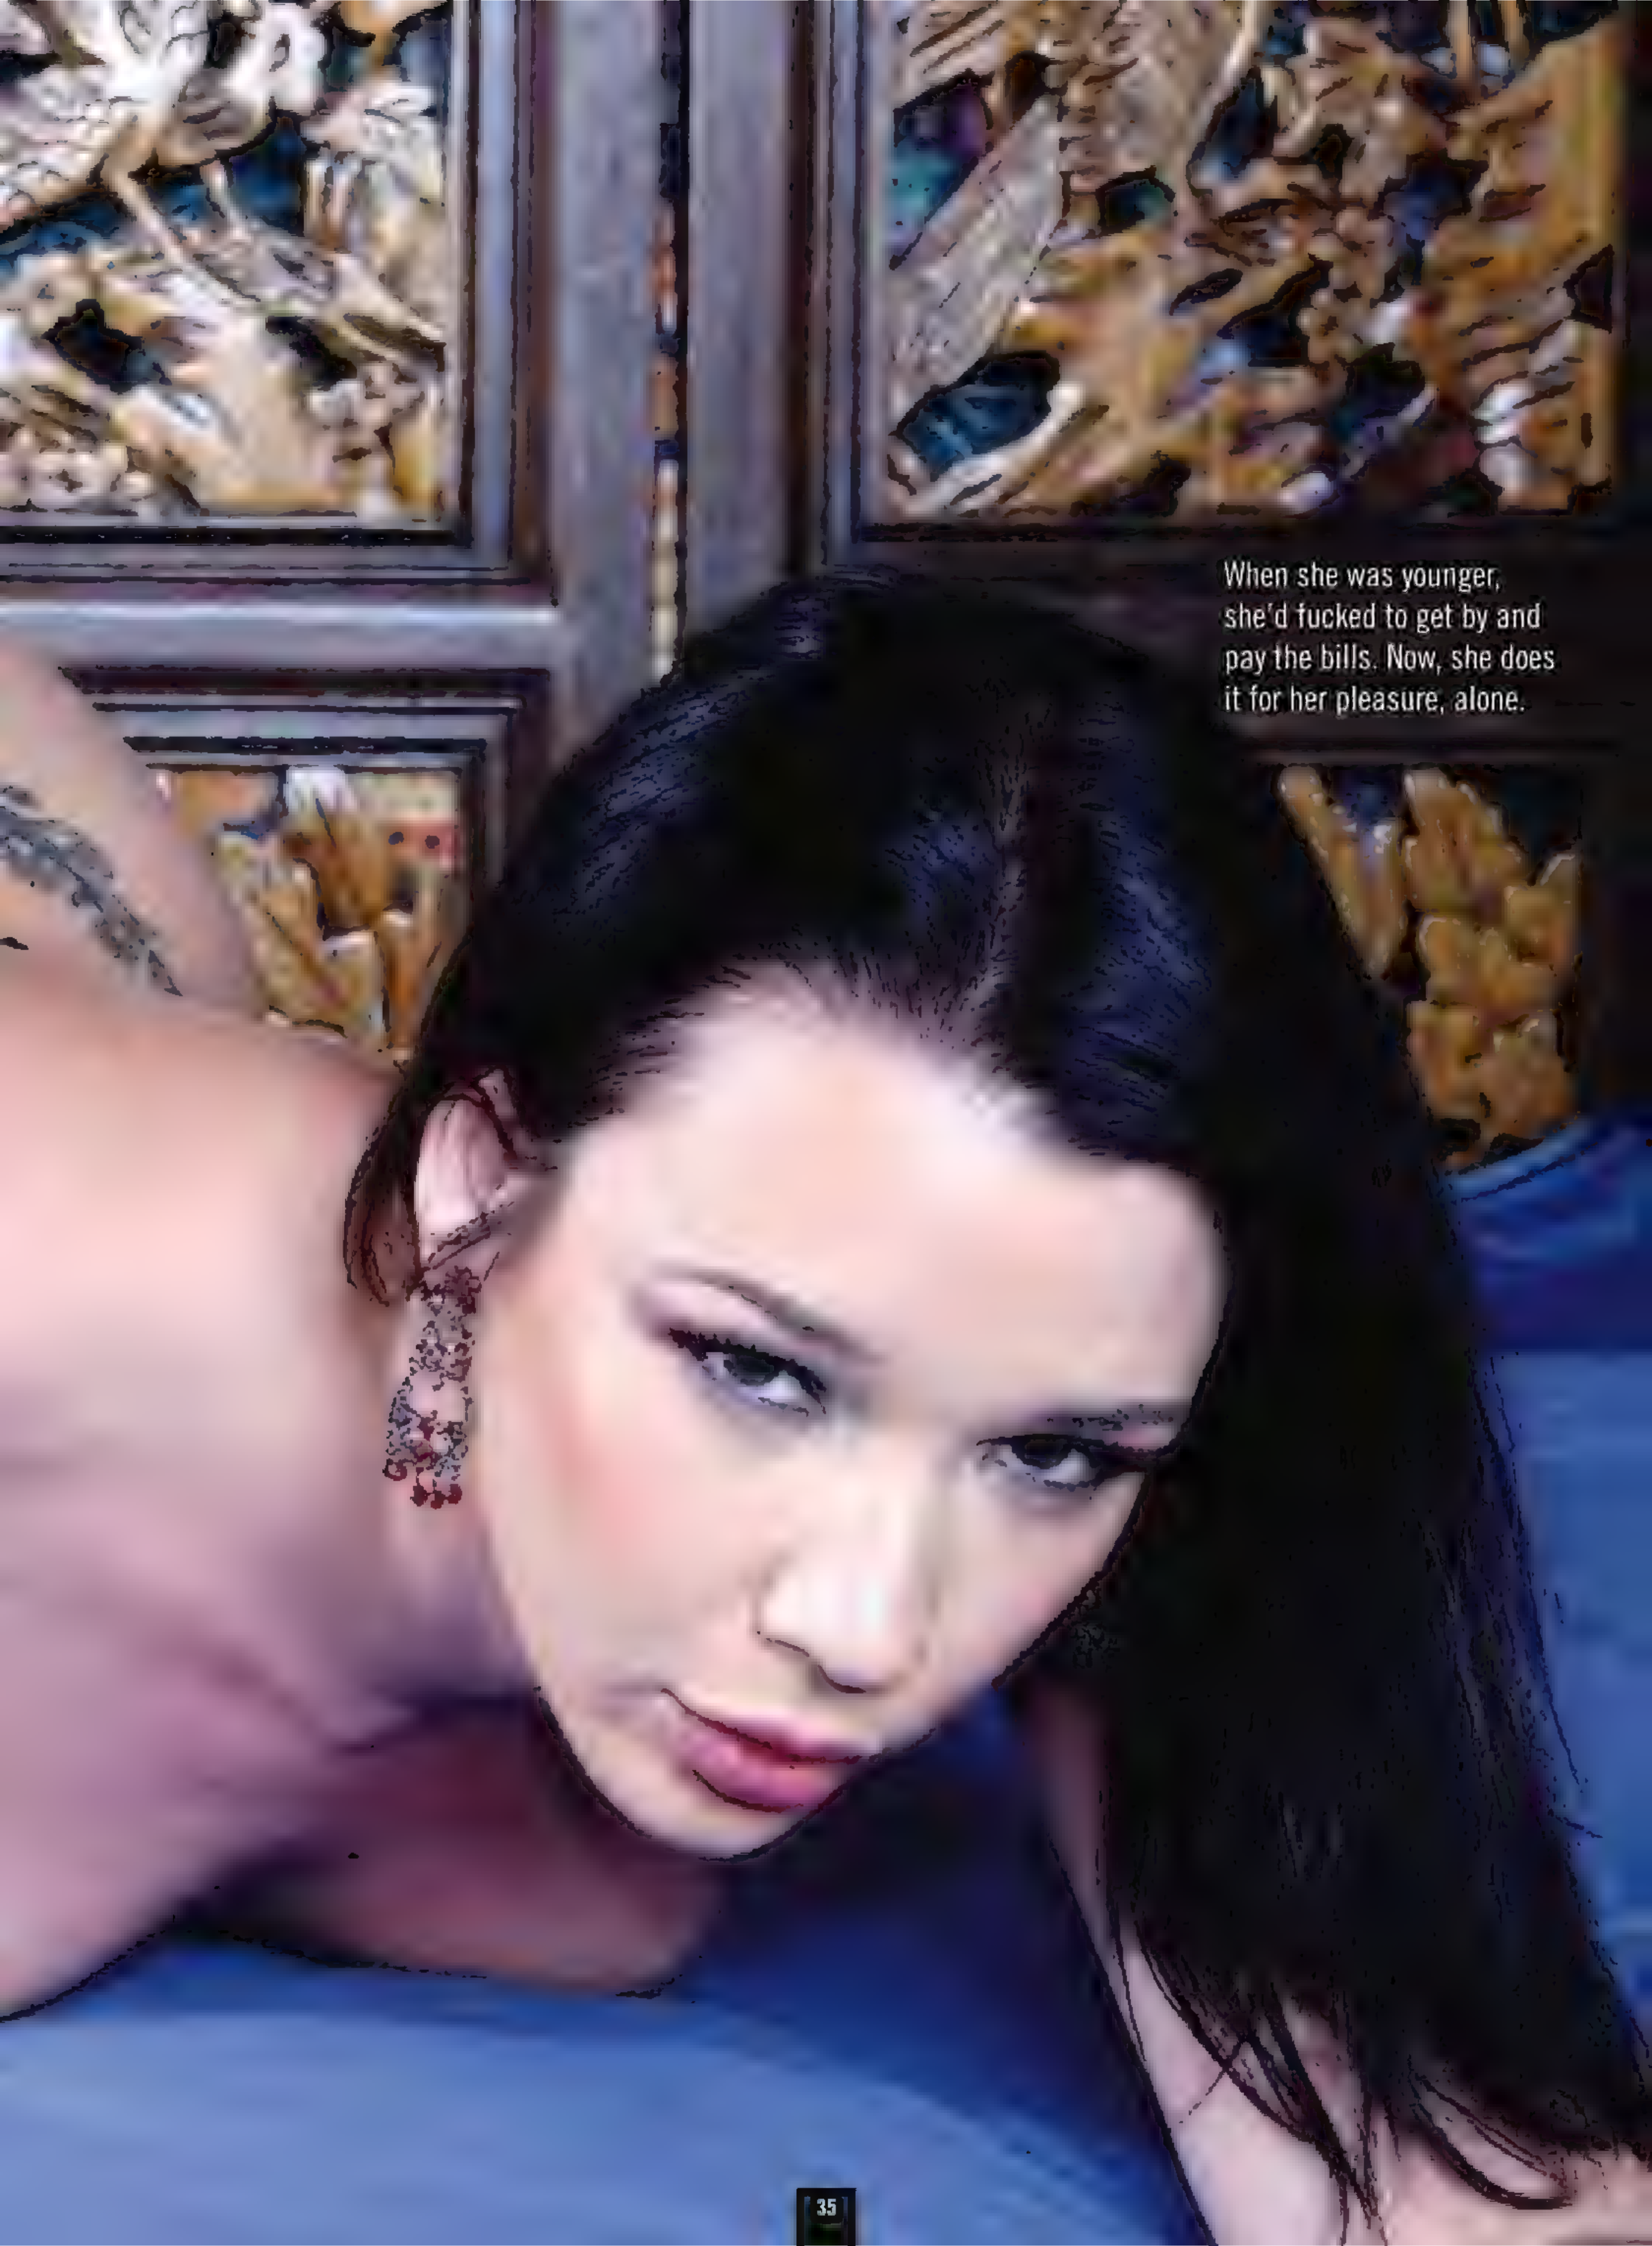

This doesn't mean that she's also passed up on her sexuality. She's always had her pick of partners, and now that she's boss, her options are even more varied.

When she was younger,
she'd fucked to get by and
pay the bills. Now, she does
it for her pleasure, alone.

Back in her dancing days, she'd mainly satisfied her lusts with women. Now that the tables are turned, she's developed a new interest in men.

She'd always been used to assuming the aggressive role, to move in all the ways that would make a person feel as though they just had to have her. Now, she uses these moves to fill her bed.

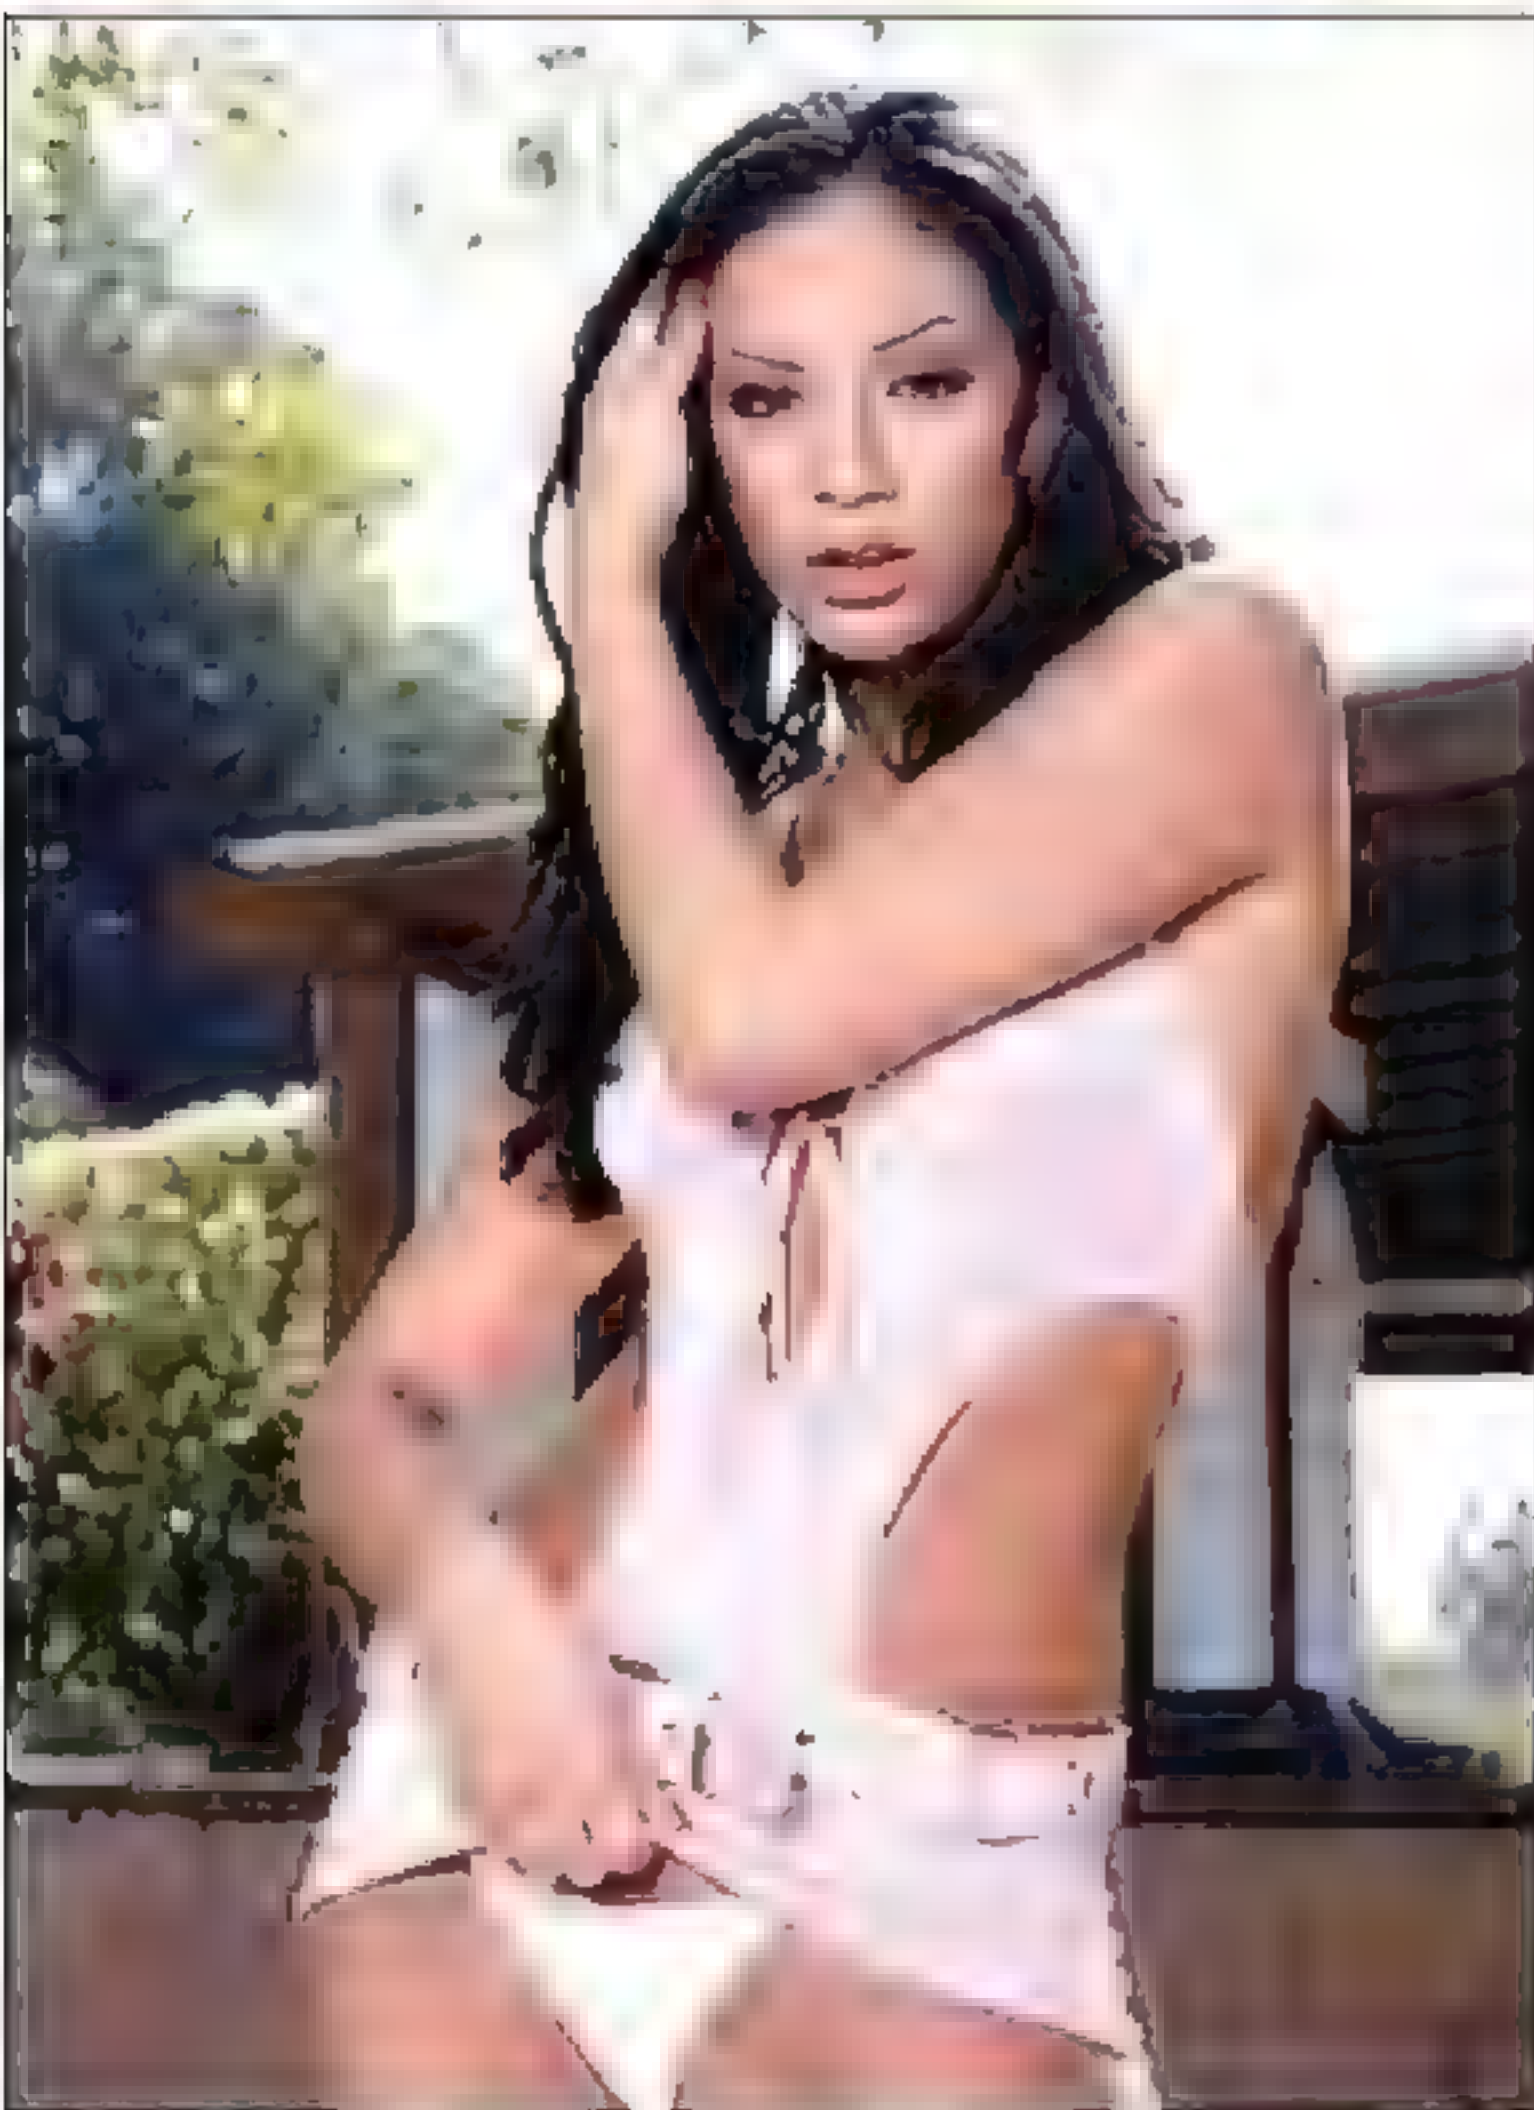

There's a reason why you're here.
There's a reason why you're here.
There's a reason why you're here.
There's a reason why you're here.

Ice

The Payoff

Ice had been a trophy wife - barely 18, she'd married a man nearly old enough to be her father, but with an income to make that seem like a completely insignificant detail. But money can only go so far, and it didn't take long for Ice to become discontented with her marriage, though she couldn't bear the thought of parting with her standard of living. Her only consolation was that her husband rarely seemed interested in sex, and when he did climb into her bed, it never lasted more than a couple of minutes - endurance something he'd never mastered.

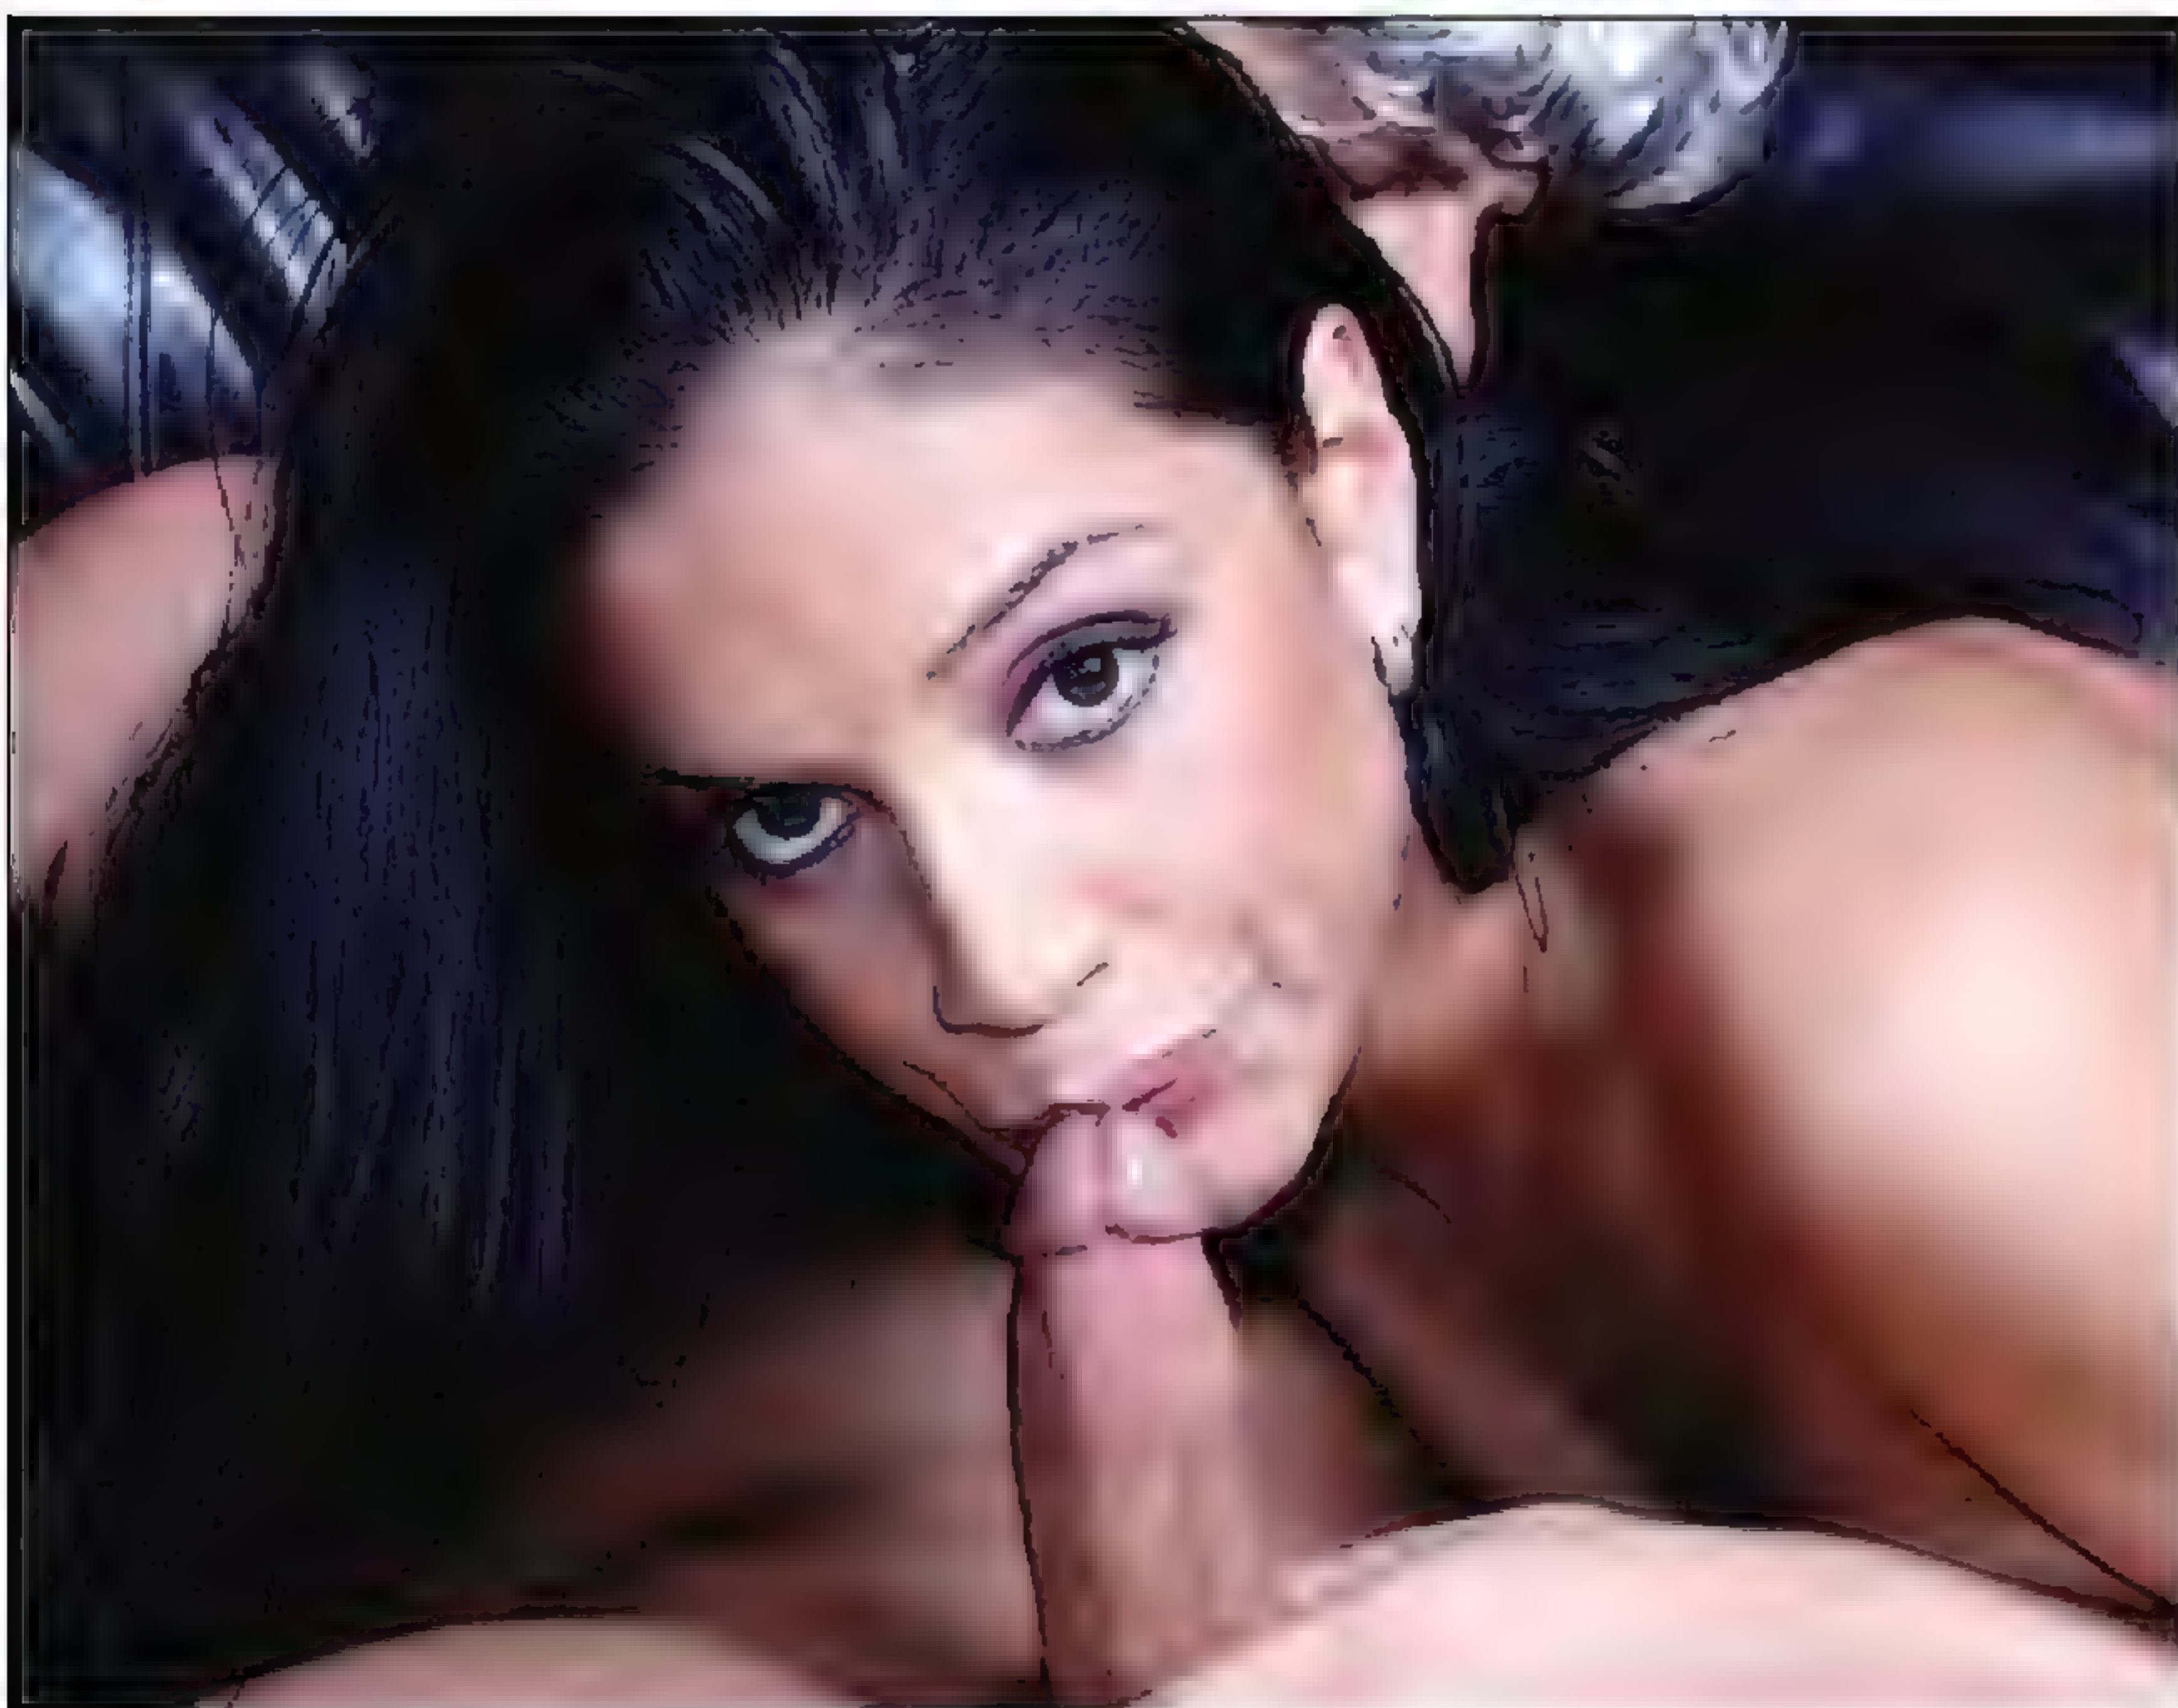

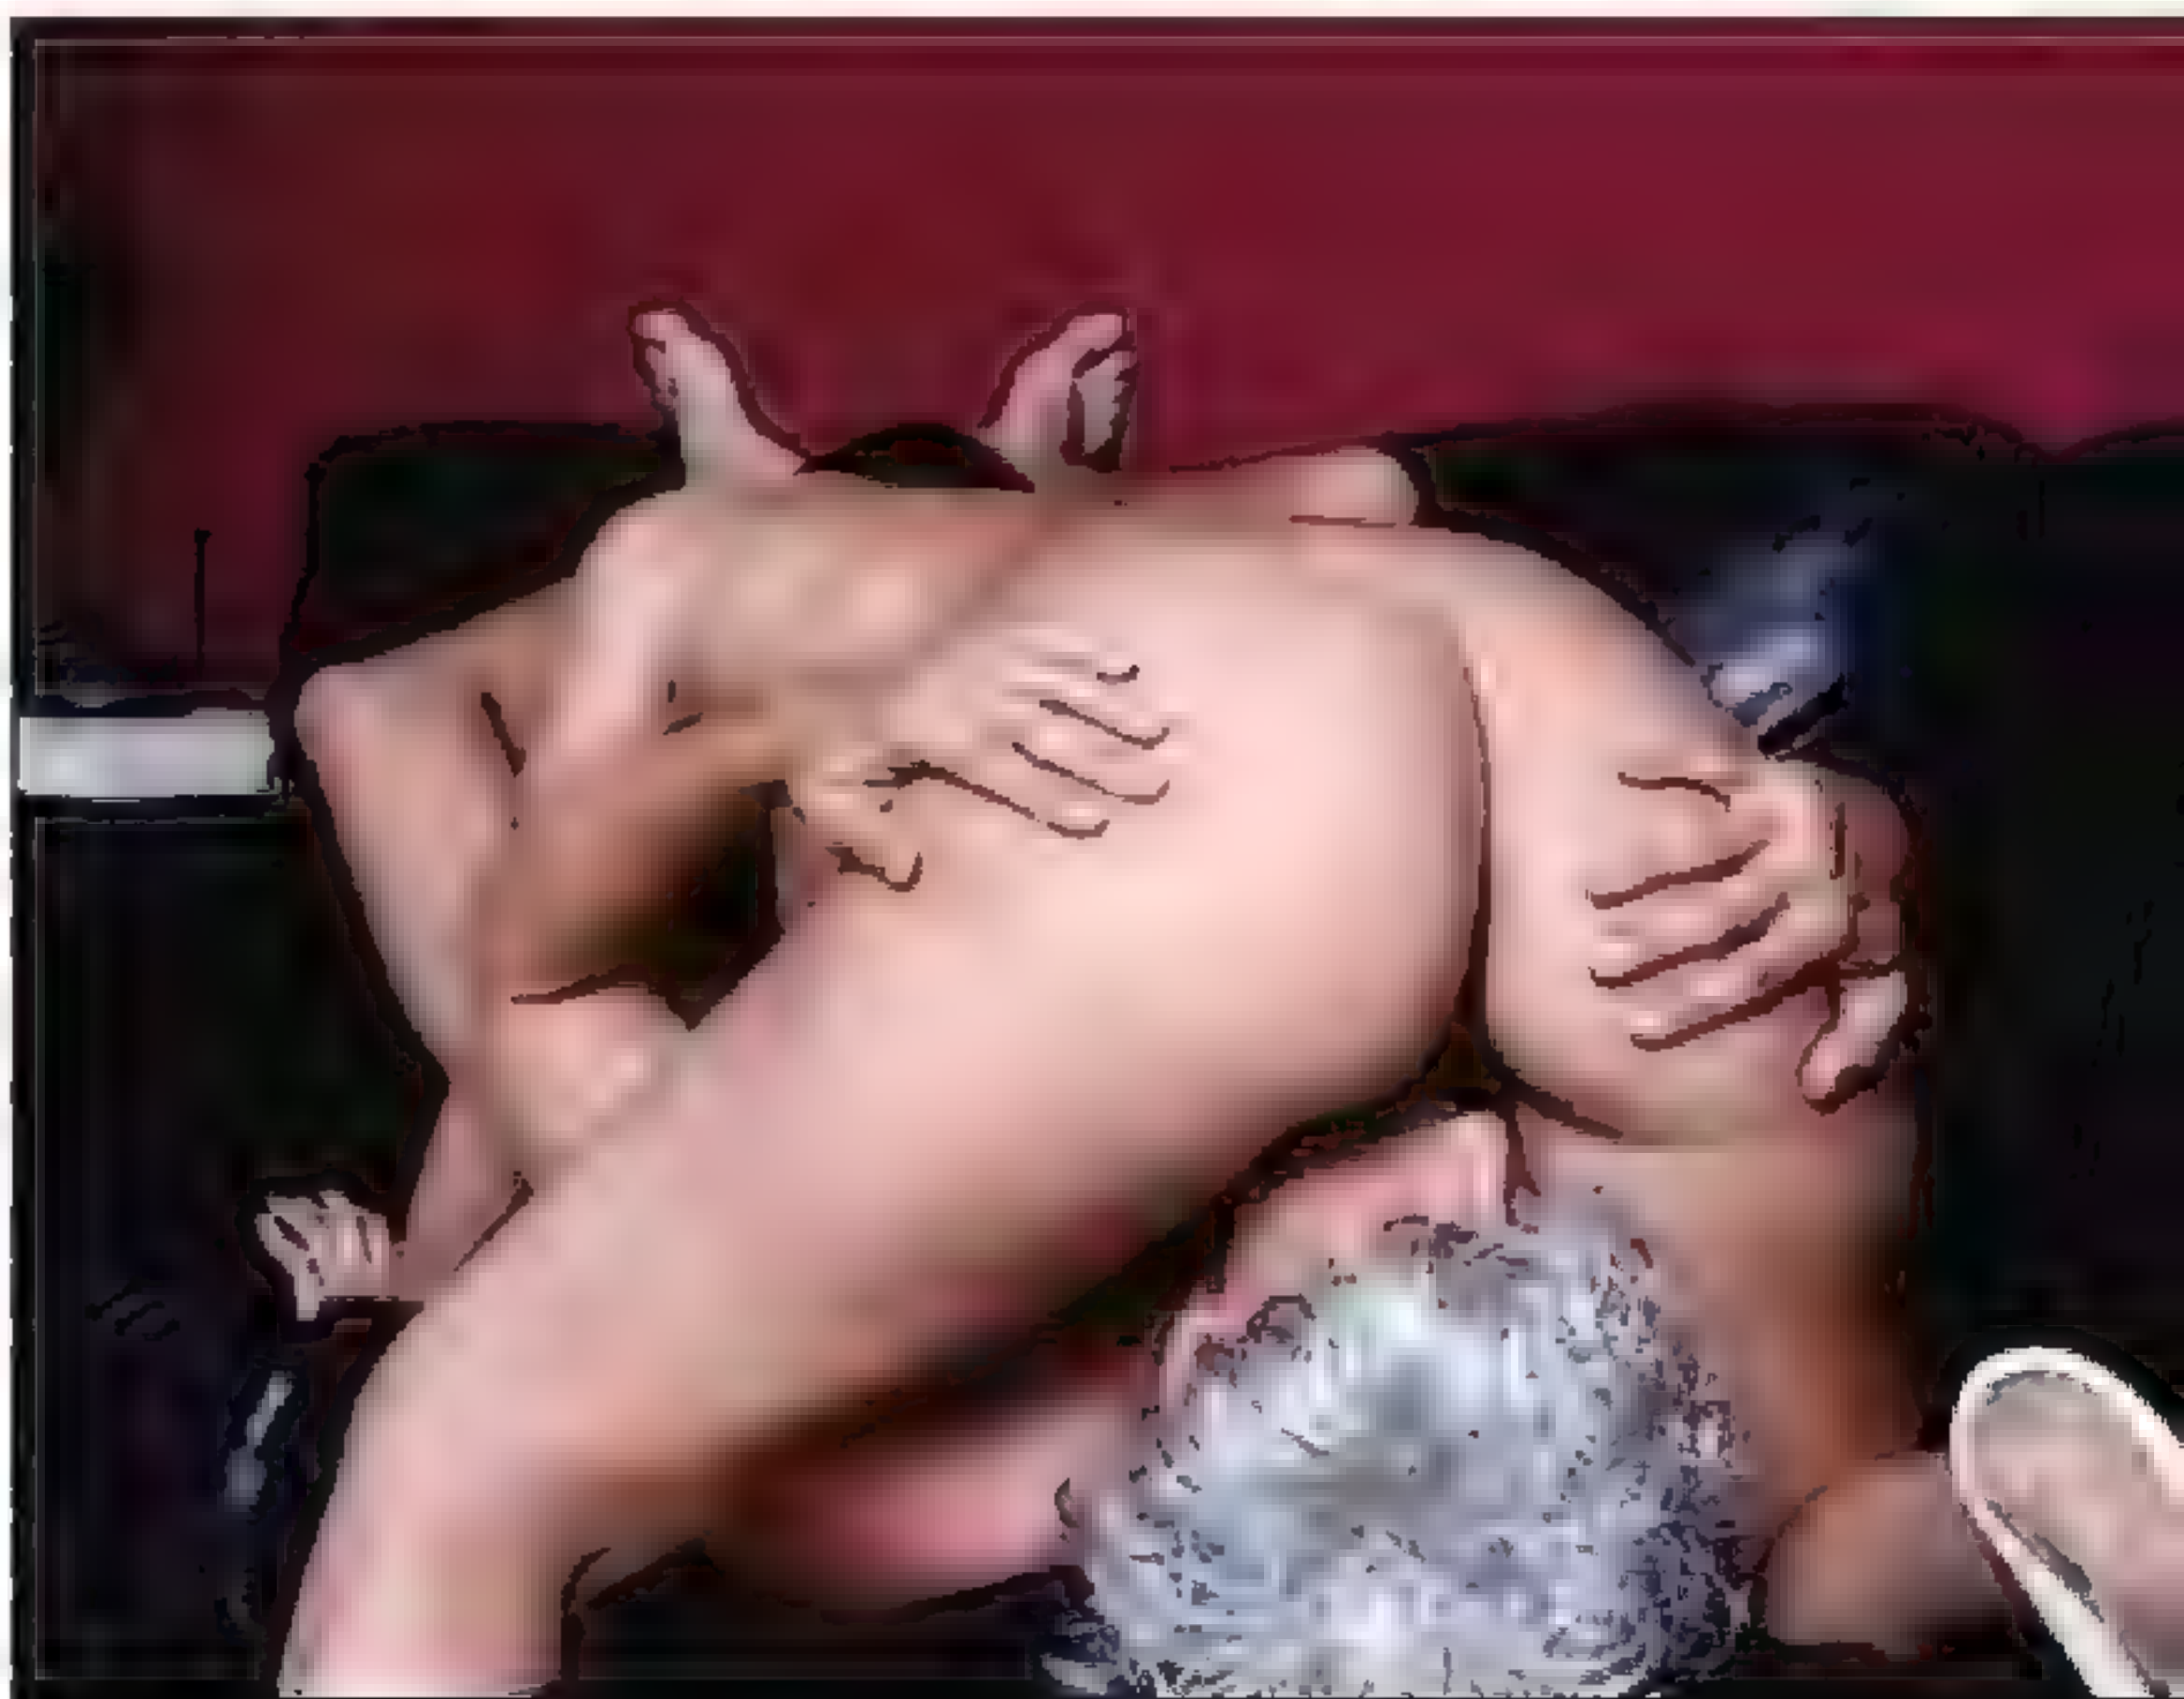

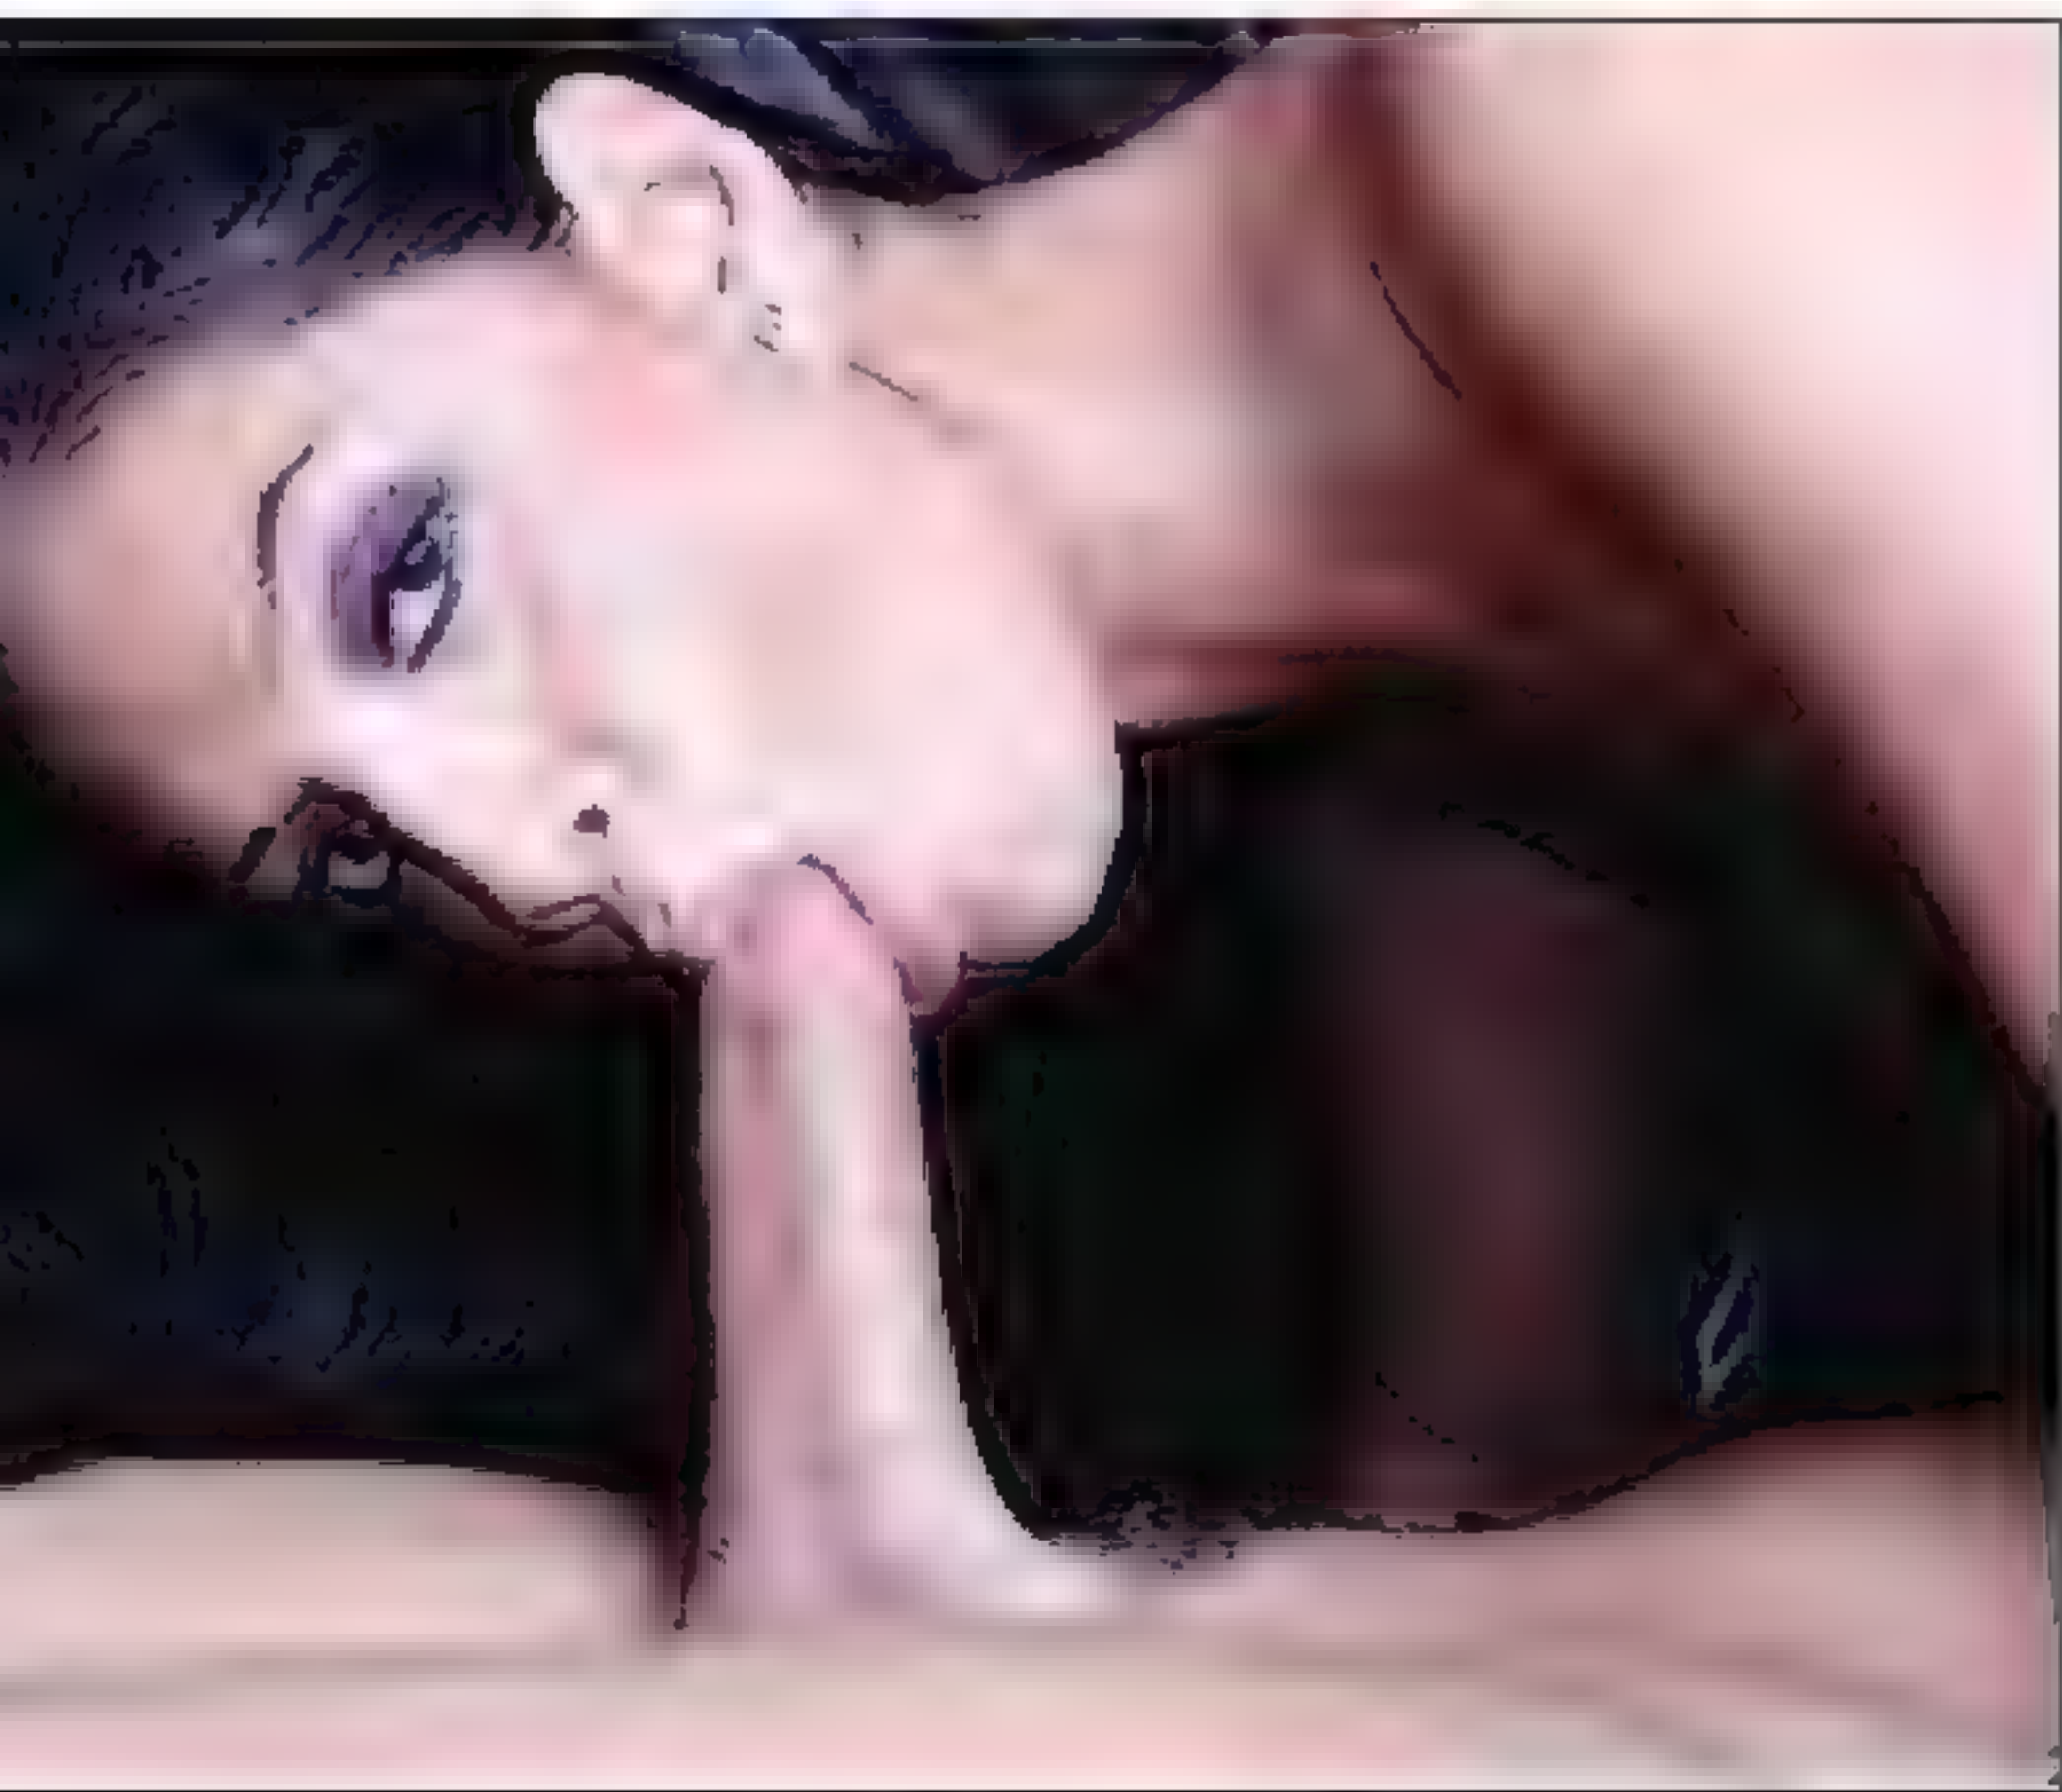

As clueless as he was disagreeable, he never noticed that his younger wife seemed less than happy. This provided Brooke with a decent amount of personal freedom, without arousing suspicion.

She'd had her first affair, just 3 months into her marriage. While she knew better than to make this a habit, over the years, she'd had a few lovers.

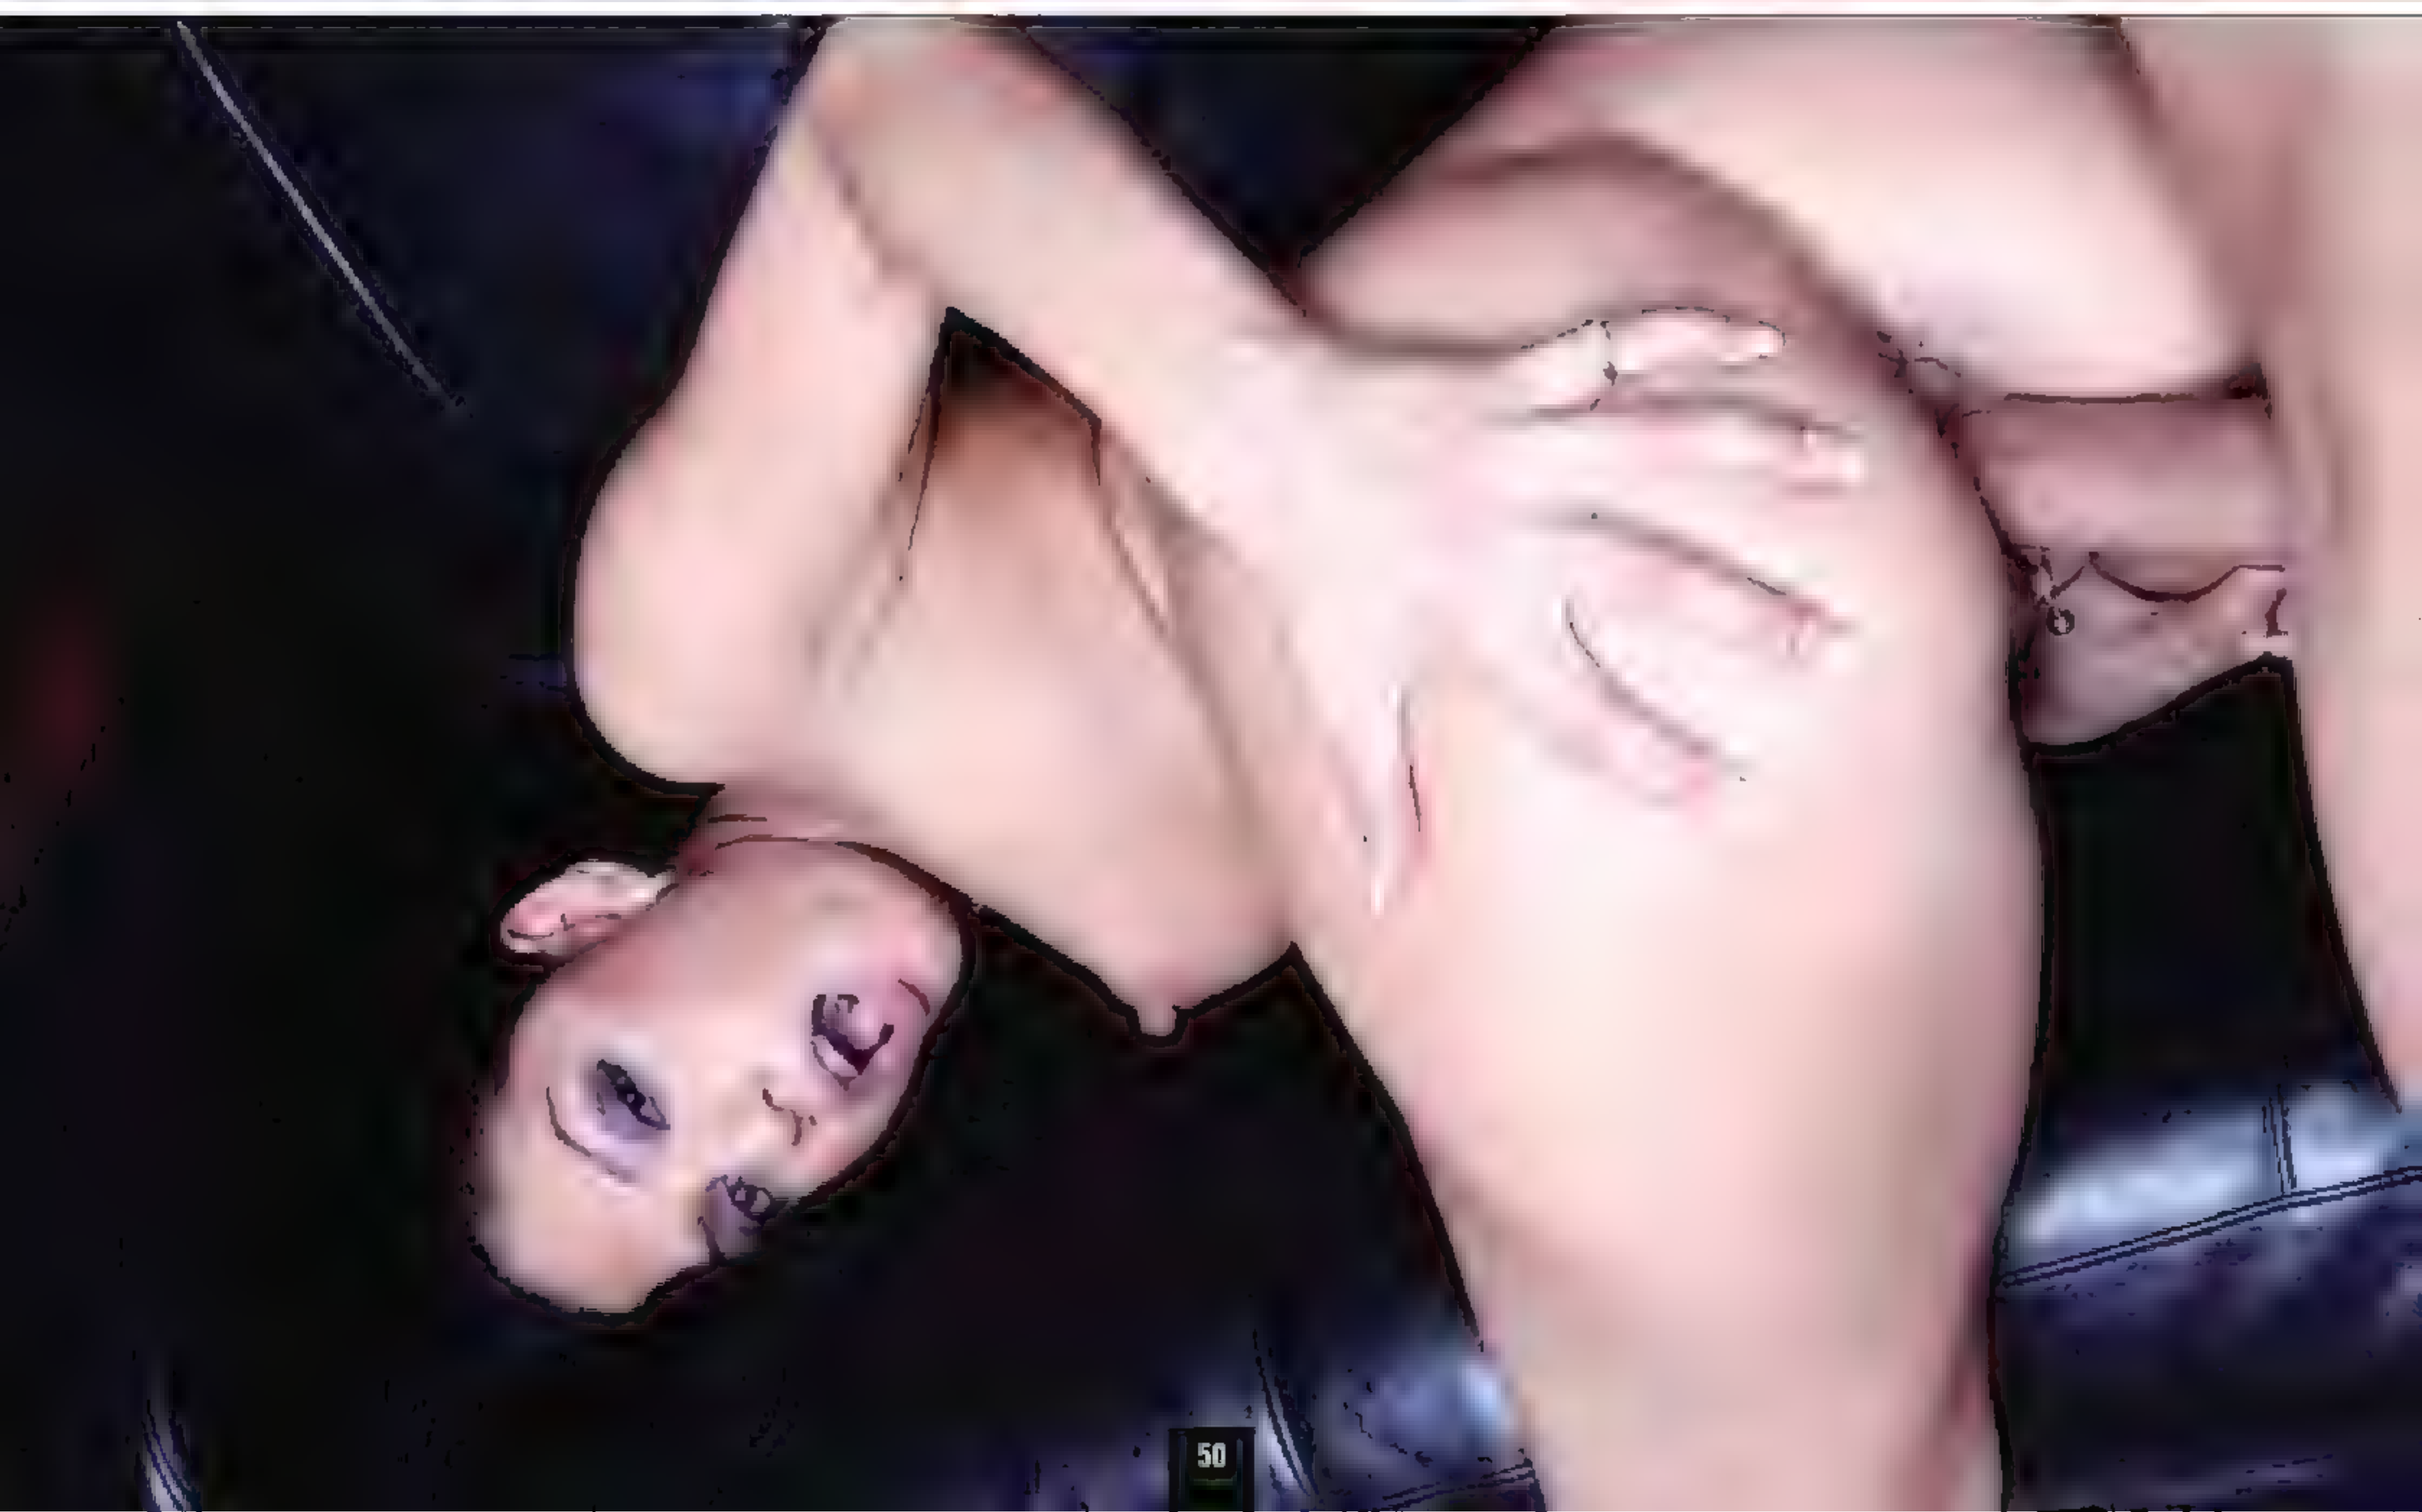

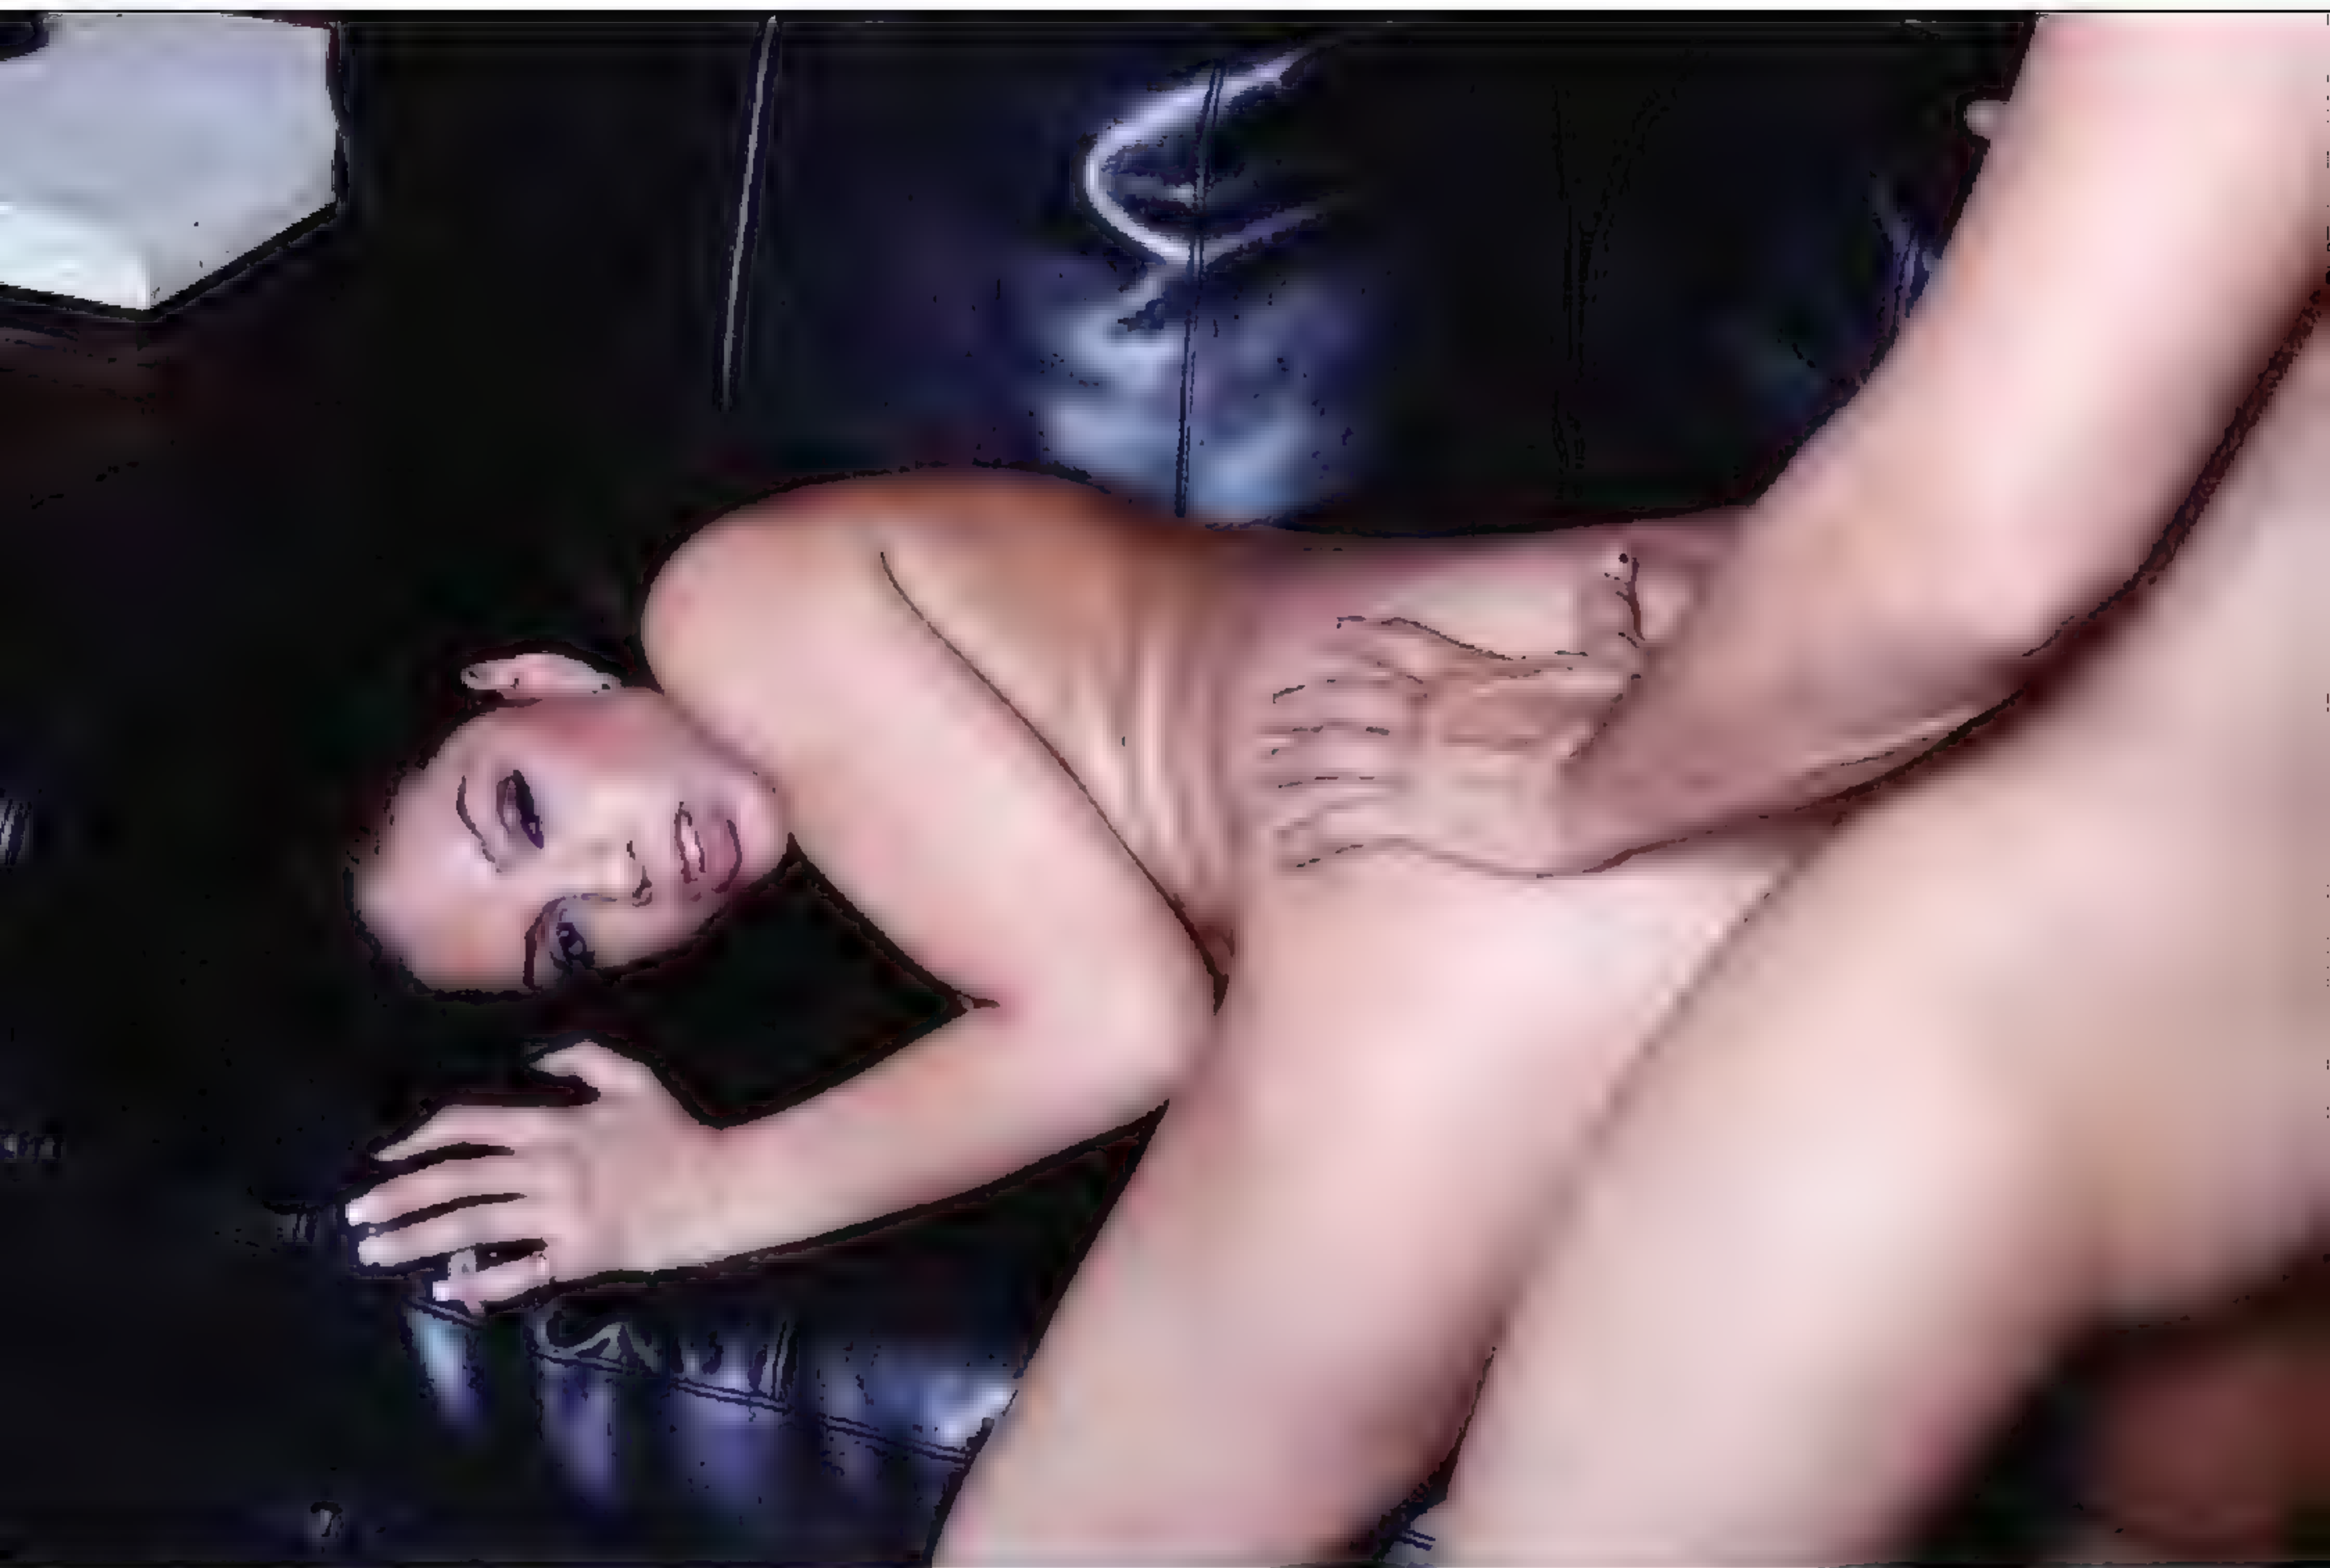

Her husband had always been as unimaginative as he was brief, and Brooke had always liked a bit of kink with a screw, especially when it allowed her to fantasize away the reality of her life.

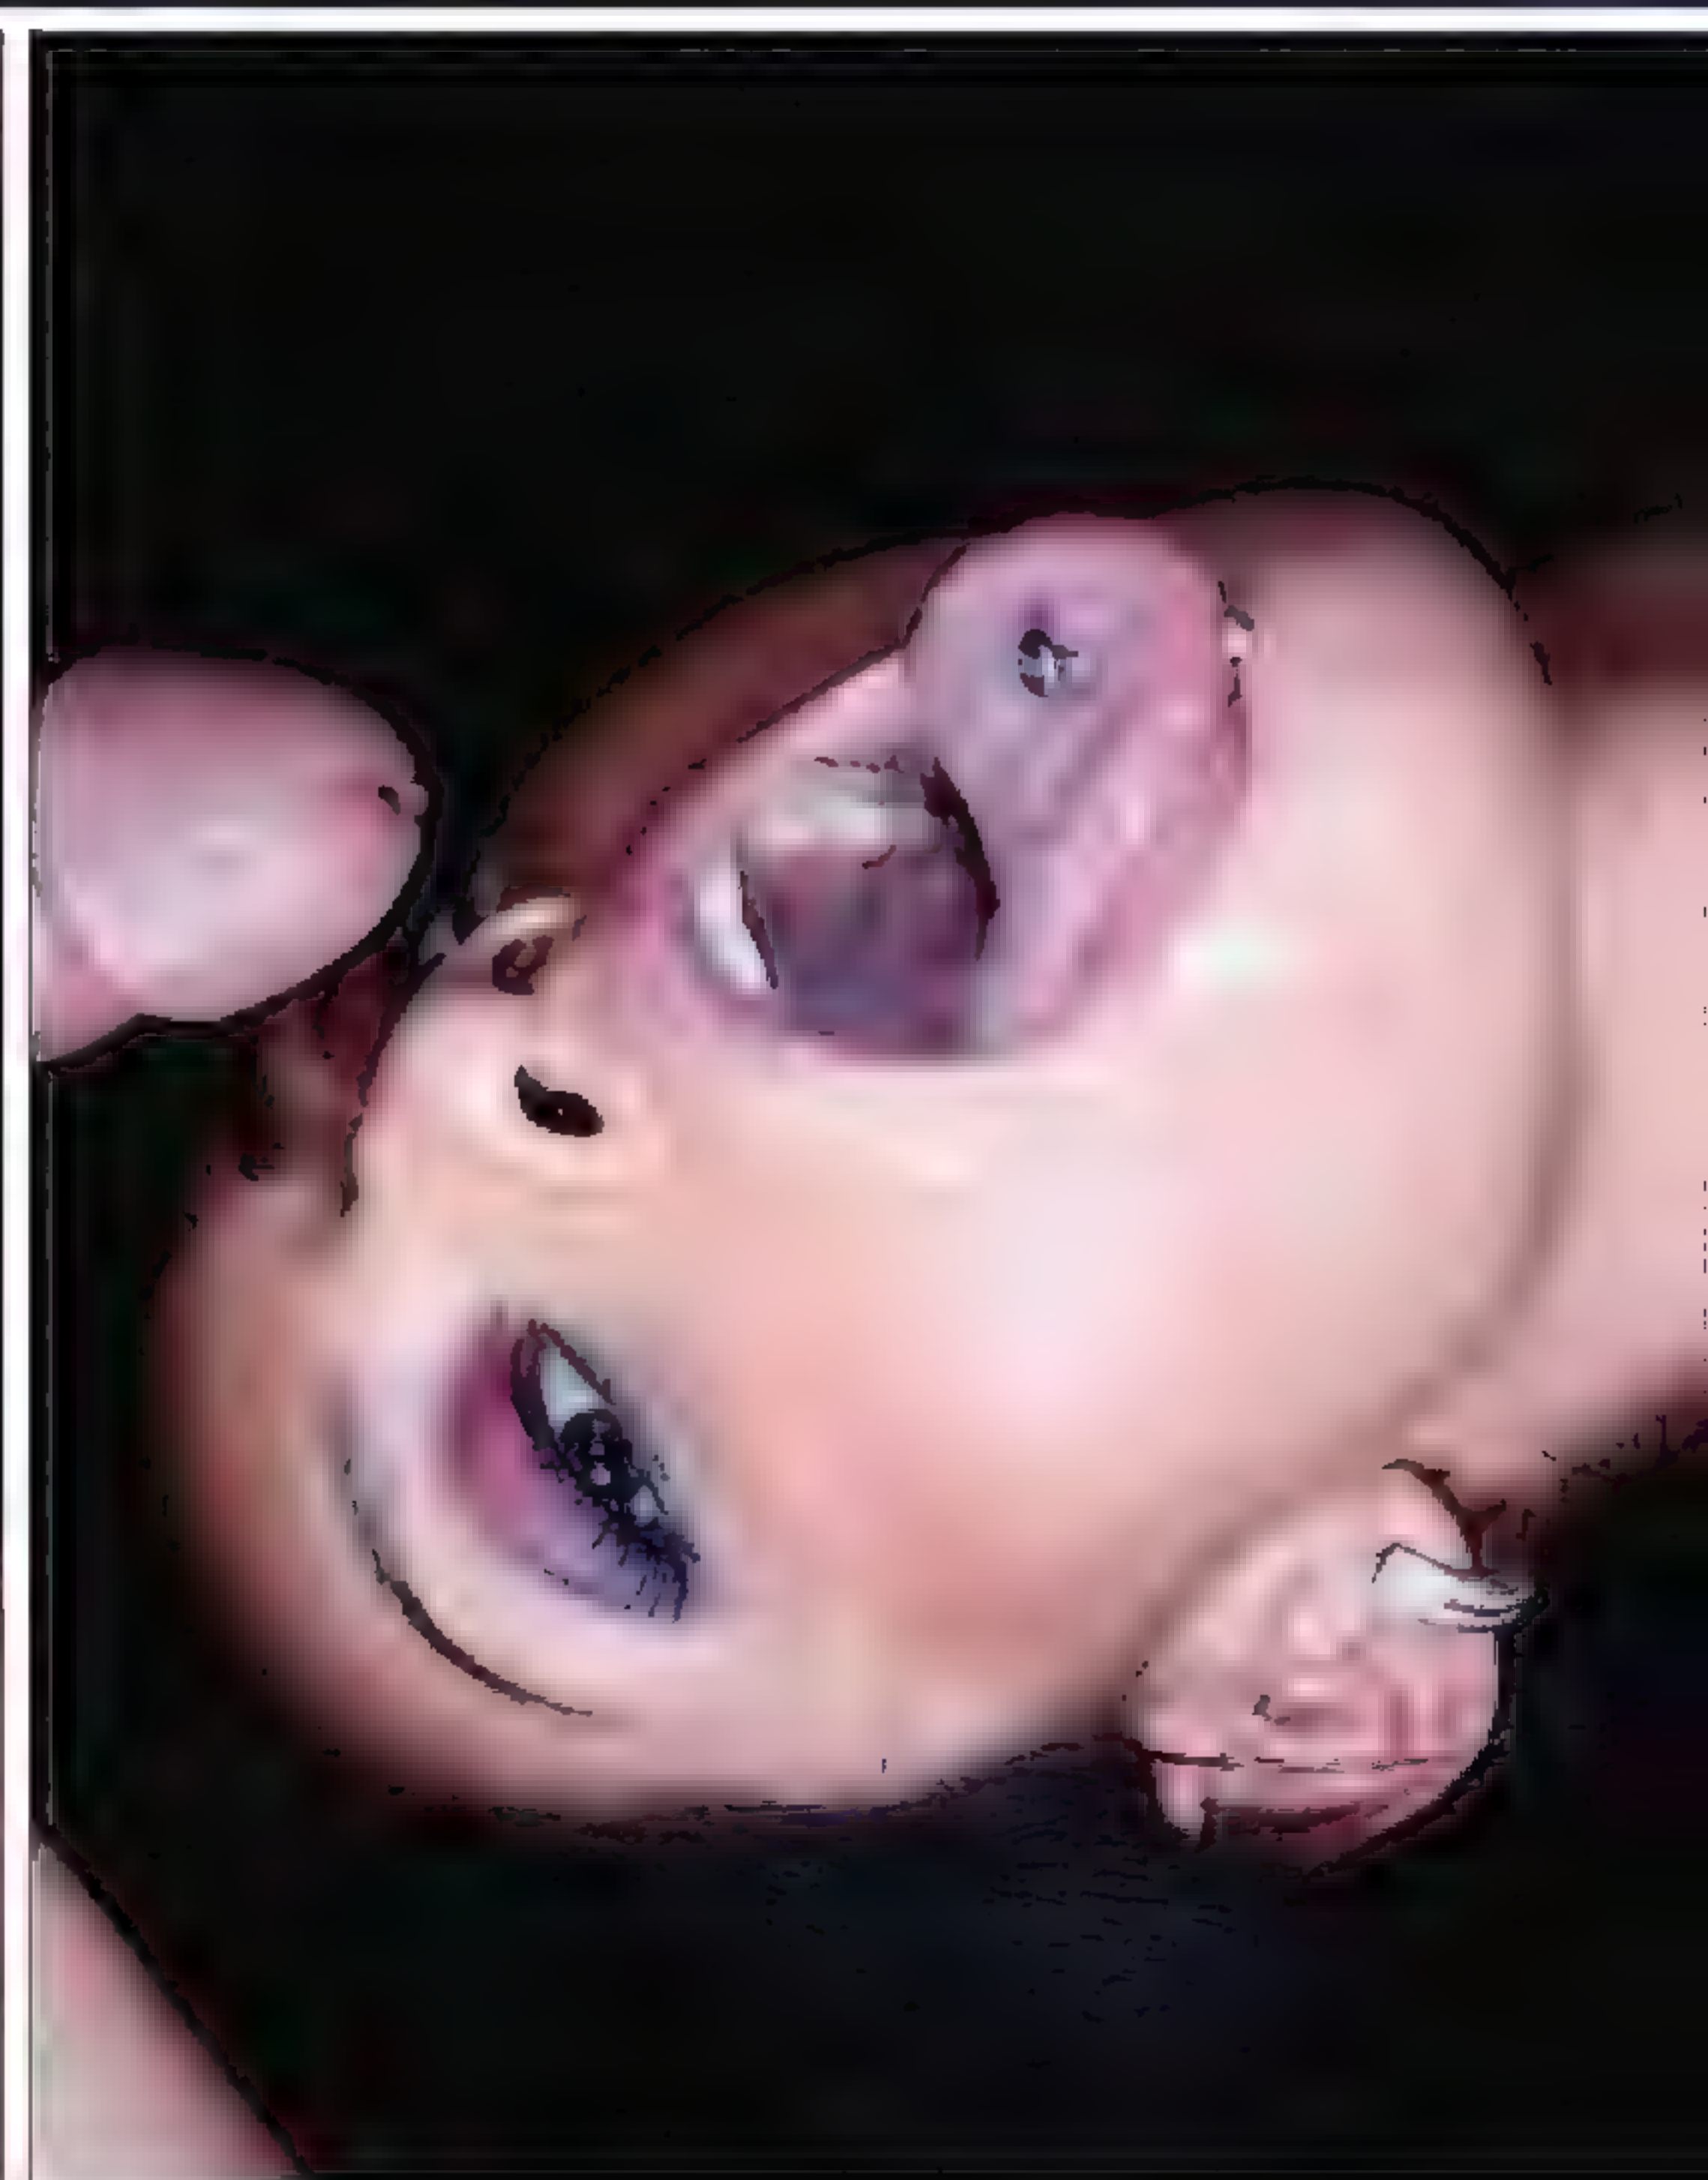

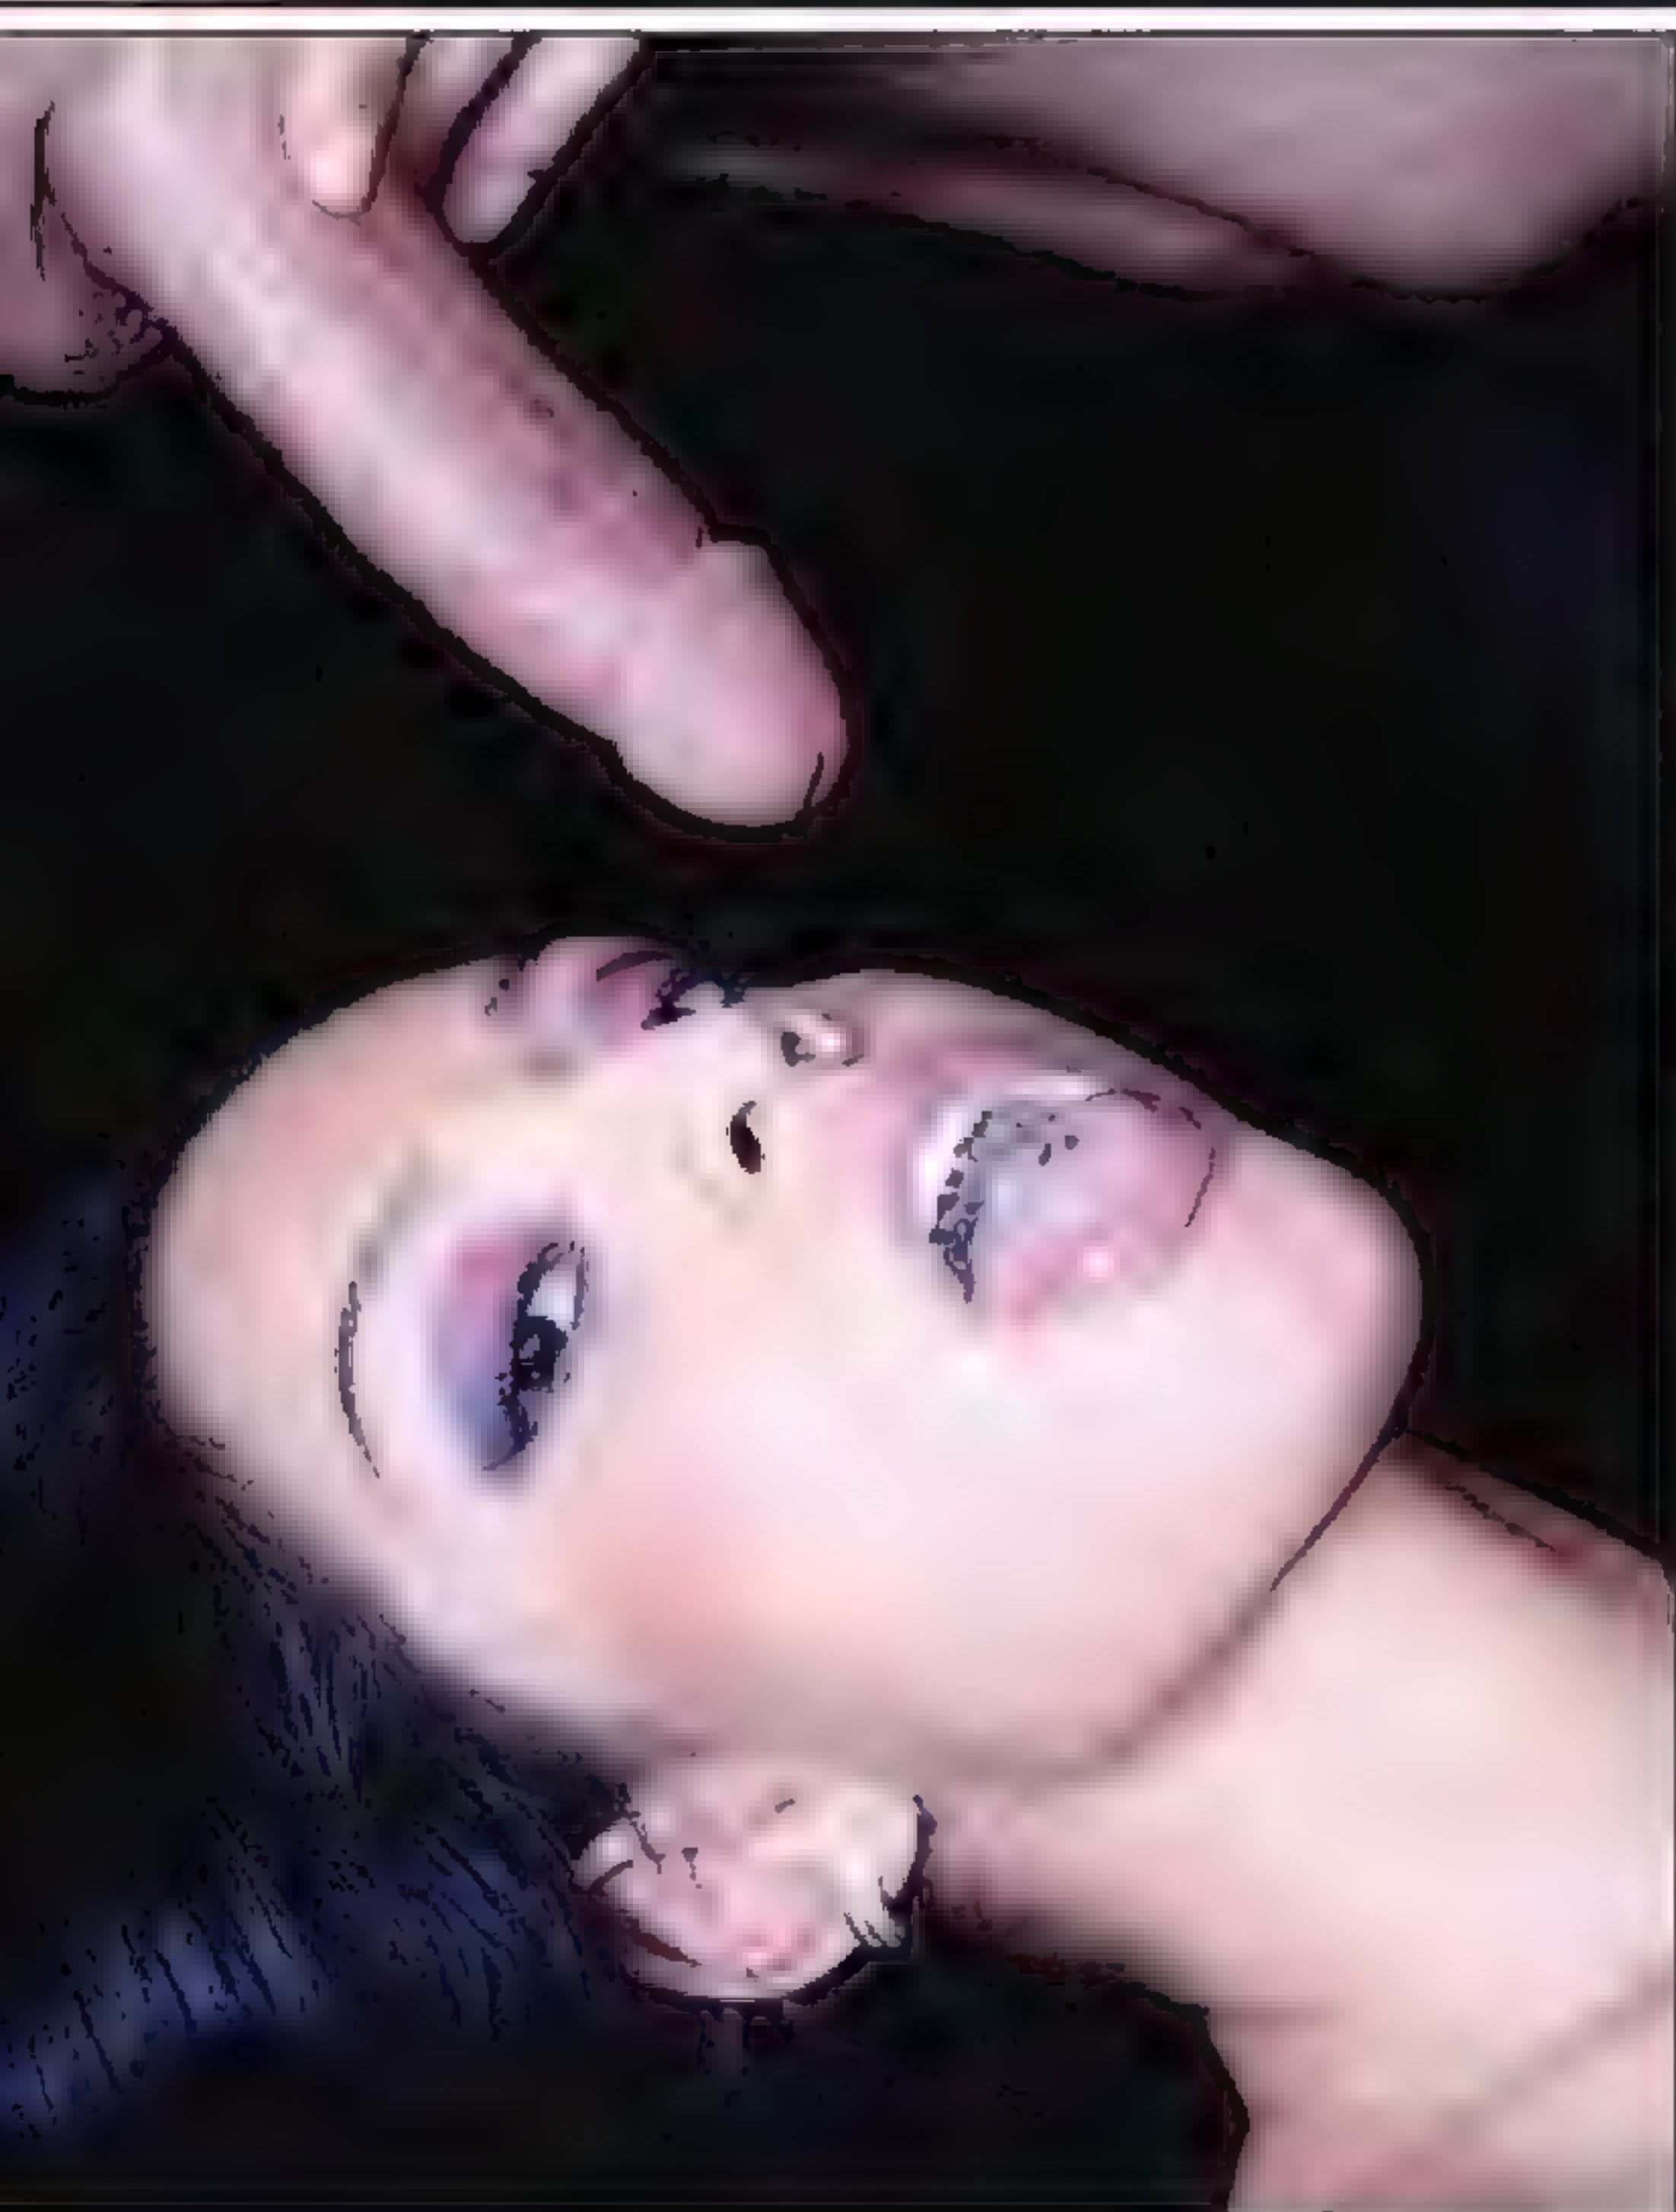

One day, on a whim, she'd gotten her
clit pierced. He hadn't even noticed.
Her boyfriend had, though, and
tongued her to cum after cum.

It doesn't bother Brooke one little bit that she's leaving her husband high and dry. In her estimation, he's getting exactly what he deserves.

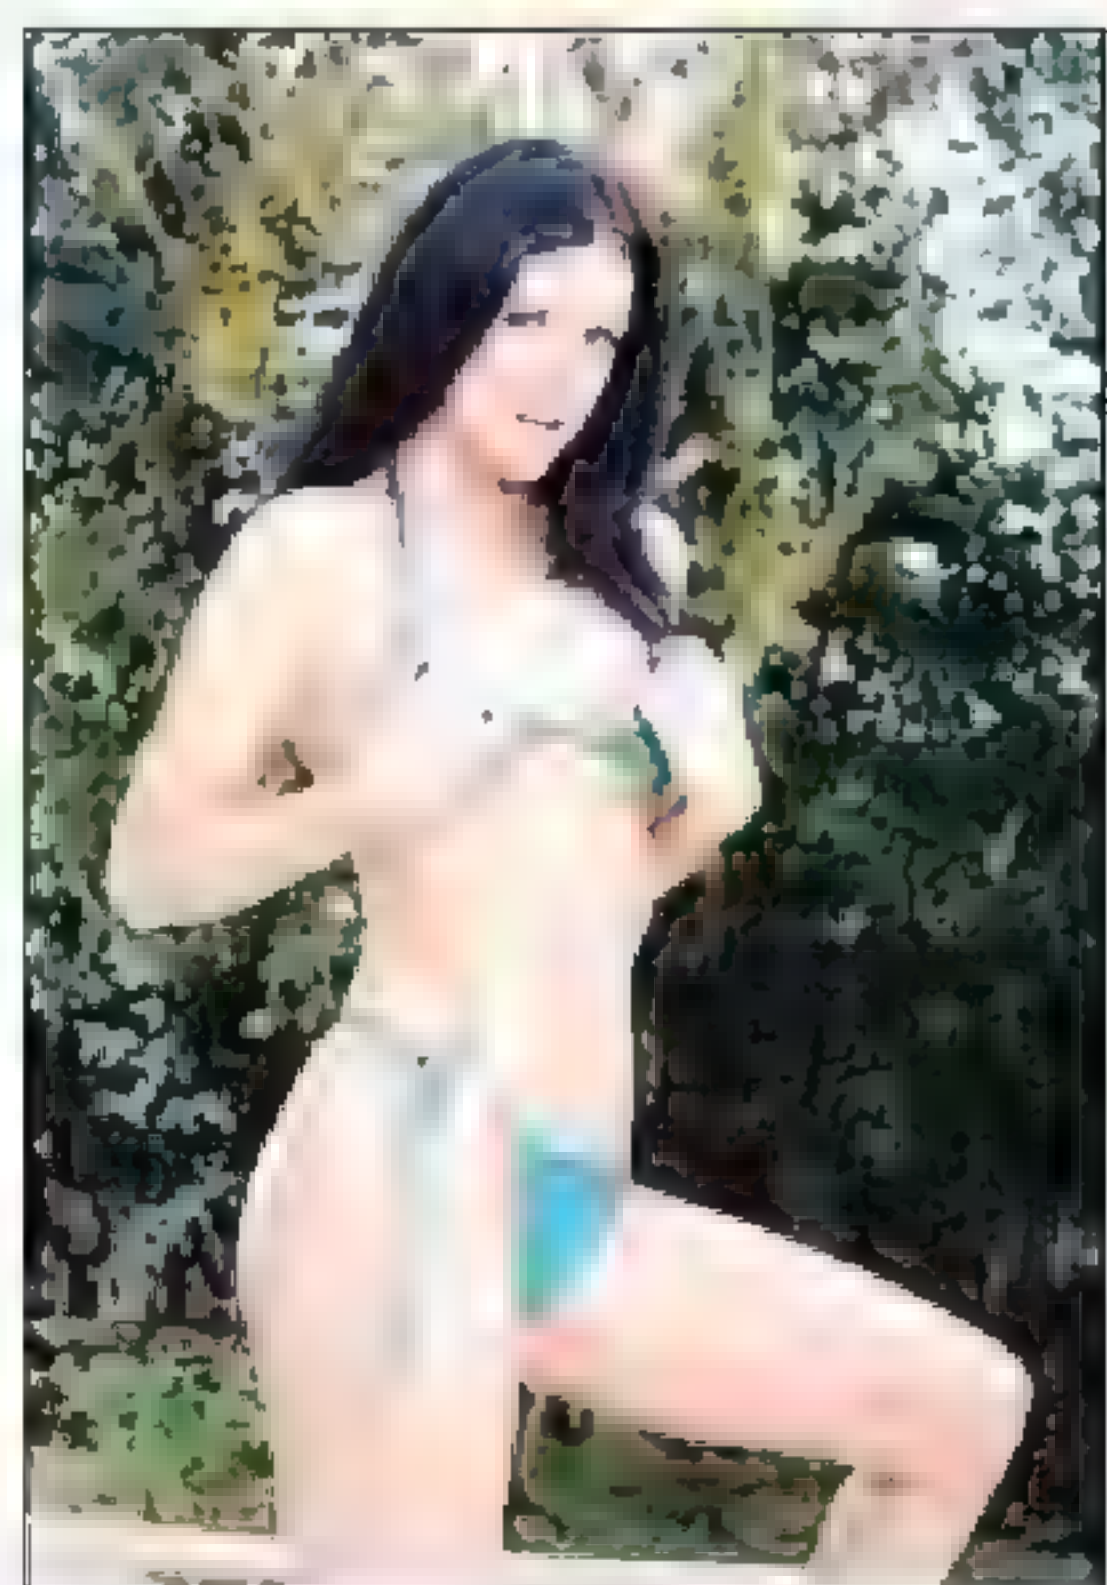

It's a shame that a woman this hot
would be wasted on someone so clue-
less. Wouldn't you like to show her she's
still got what it takes?

India

*A New Way to
Submit*

A woman with long dark hair, wearing a blue string bikini, is sitting outdoors. She is looking towards the camera with a slight smile. Her right hand is resting on her thigh, and her left hand is resting on her knee. The background is a blurred green foliage.

For years, India had put up with an abusive husband. Her kids saw the way he talked down to her and started emulating him, making her home life a pretty hellish experience. Her friends begged her to leave, but she'd never been independent, even less so after the way she'd been treated, and couldn't bring herself to neglect her family. Her best friend knew it would take something big to convince India to change. Something big... like her boyfriend's cock.

India had no idea what her friend was planning when she agreed to meet her for a few drinks. She was surprised when she walked into the bar and her pal's boyfriend, martini in hand.

She'd always found him sexy, in an understated kind of way, and tonight he was really laying it on thick, so, by the time he made his move, her inhibitions were basically nil.

That night, she'd been fucked like she hadn't been fucked in years. The next morning, she couldn't believe what she'd done - though her friend soon explained and put her mind at ease, as she got her second surprise in two days - her very first cunt-on-cunt action.

After a few weeks as her friends' new play-thing, she realized this is what she wanted - servitude of a sexual, rather than an emotional, nature. Her family was stunned when she told them she'd had enough, but India was resolute.

With a new grasp on life, India's just
beginning to make up for lost time,
and is always looking for someone
who'll treat her just right.

Layla

A Different Type of Sexy

Layla's boyfriend might not be very attractive, in a traditional sense, but what he lacks in appearance, he more than makes up for in size below the belt. Besides, he isn't the jealous type, and even enjoys sharing his girlfriend with other men. For a woman as sexually inclined as Layla, it is the perfect situation, and she never has to worry about being satisfied.

When she was younger, she went through a superficial stage where she only dated guys of the ruggedly handsome type. After a while, she realized that though they looked pretty on her arm, there was no real spark.

That's when she met David. It took her a while to warm up to him, but after he finally got her in bed, she couldn't deny that he had that something extra she'd been missing.

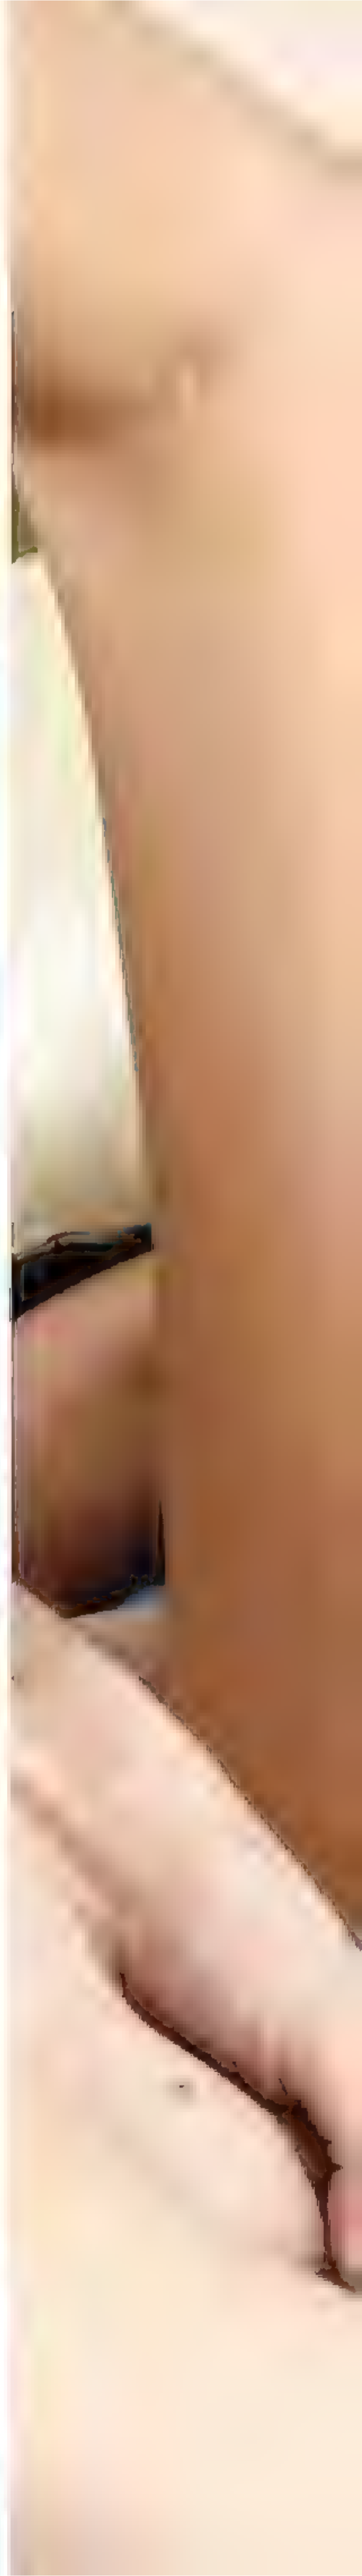

The night that he told her to get slutted up
and find someone she was hot to screw -
with or without him - she knew she'd found
the perfect man for her.

Even when she was young, Layla
hadn't been this experimental.
She just couldn't help herself,
and there was no reason to.

Care to join this randy couple for
some three-way play? They're
always up for it.

Lola

Say Yes to Temptation

Lola was used to getting attention for her looks. Prom queen in high school, homecoming queen in college, she'd learned that she could go far, appearance-wise. When it came to men, she hadn't been as successful. She'd been divorced twice; marriage didn't work for her. It could have been because her husbands were jealous of the attention she got, or the way she couldn't seem to keep herself from flirting, but whatever the case, Lola just hadn't been able to make it work. Which was fine with her. She'd moved onto fiance #3, and this time, perhaps, things would work out for her. But given her history, the odds aren't great.

She really didn't try to be flirtatious, or step out of line, but she just got such a head-rush from knowing that men wanted her. Especially at her age, she couldn't help but be flattered.

Aside from that, she'd always had a weakness for cock. She just loved them - regardless of size, color and shape. There was something about the feel on her tongue and the taste, that she found irresistible.

When it came to her other holes, she was
equally appreciative.

The problem had always been that the more she got, the more she wanted. The sensations were so addictive she could never really be satisfied, unplugged and unfulfilled

This is a *coiffeur* any hard-shafted man
would be *glad* to meet. Warm her up a bit, and
she'll be bending the rules in no time.
